Major News Stories during the 2024-2025 school year

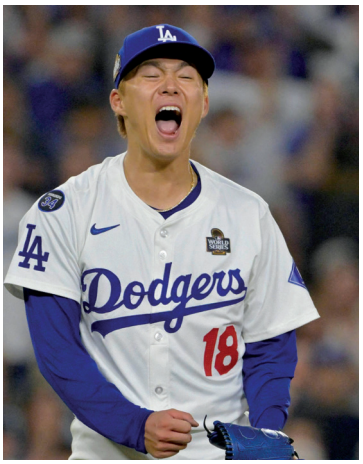

Hurricane Helene battered the southeast U.S. (Sep 24, 2024)

Former President Jimmy Carter is the first U.S. President to reach his 100th Birthday. (Oct 1, 2024)

President Trump won his re-election for office, becoming the second president in U.S. history to serve non-consecutive terms. (Nov 5, 2024)

Super Bowl LIX - The Philadelphia Eagles finally beat the Kansas City Chiefs with a score of 22-40 after getting beat by them in 2023.

World Series - The Los Angeles Dodgers defeated the New York Yankees in Game 5.

The Masters - Rory McIlroy has finally won the Masters after entering into the tournament in 2009. This marks his 17th year playing in the Masters. When he finished the final round Rory McIlroy and Justin Rose were tied at -11. They played in a final on Hole 18 and Justin Rose missed his putt for Rory to take the glory.

Stanley Cup -- The Florida Panthers defeated the Edmonton Oilers across 6 games to secure the championship.

NBA Championship -- Oklahoma City Thunder defeated the Indiana Pacers to secure the win in the NBA finals. Thunder player Shai Gilgeous-Alexander was awarded the NBA's MVP award.

The highest grossing movie of 2024-25 is *Inside Out 2* with the gross being $652,980,194 and was in 4,440 theaters.

On April 21st, 2025, Pope Francis passed away. He was succeeded by Pope Leo XIV, the first Augustinian elected Pope and the first Pontiff from the United States.

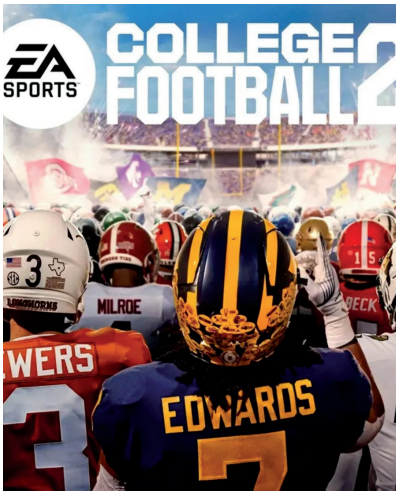

The biggest song in 2024 was "Lose Control" by Teddy Swims, making him over 200,000 USD.

The Nobel Peace Prize winner in 2024 was Nihon Hidankyo for their efforts to achieve a world free of nuclear weapons and for demonstrating through witness testimony that nuclear weapons must never be used again.

The biggest Video Game of 2024-2025 school year was Call of Duty: Black Ops 6 and close in second is EA Sports College Football (Sales in the US)

The most highly anticipated video game of 2025 was Grand Theft Auto VI (only to then get delayed...again).

Homecoming
Dance and Game

In the 2024-2025 school year at St. John Vianney High School, Homecoming week was a success. The theme of this Homecoming Week was "That's So St. Louis." During the week we had dress down days and several activities and snacks that the students could enjoy. Students enjoyed donuts, Gus's Pretzels, IMOS, cookies and Ted Drewes, all St. Louis staples. For activities students were able to do trivia, watch highlights from the Blues and Cardinals in the Cafe, and participate in a St. Louis Sports Triathlon in which students played in a competition of hitting off a tee, kicking a soccer ball into pugg goals and hockey shots into the net. Everyone was looking forward to what the end of the week had in store and that was a Friday night football game and Homecoming Dance Saturday night. When Friday finally came, the students were ecstatic! The football team played on the Don Heeb Field against their Marianist brothers, Chaminade High School, and it was a thrilling game. The students were cheering for their fellow Griffins loud and proud for the whole game. It was a very competitive game and an atmosphere that felt surreal. The following day, the big night finally arrived. All the students were excited to enter the school for their Homecoming Dance. That night, the DJ had everyone dancing and many students were with their dates or hanging out with fellow classmates enjoying the moment until the night ended. Overall, it was an exciting week, one to remember for years to come.

Night of the Griffin
A night to remember

This year at the auction the school was able to raise a grand total of $600,000! We had the field house filled with many parents, teachers, and alumni who all came in support of Vianney with many generous donations. The excellent dinner was generously provided by Vianney family restaurants: Andre's, Boccardi's, Sybergs and Pete's Italian Baking Co.

The highest selling item this year was a weekend in Las Vegas that included tickets to a Garth Brooks concert and tickets to a Golden Knights hockey game. This package was sold at $10,000! One of the most popular prizes was the auction puppy, won by a class of 2028 Freshman family, the Cicerelli's, who took home Marley, the yellow lab.

And lastly we had the Fund a Need video that introduced the new Jack Higgins '25 Scholarship which was able to raise a staggering $250,000!

Ultimately it was a record-breaking night of generosity, raising funds that will benefit future Griffins for years to come.

Graduation
Congrats Class of 2025!

On May 10, 2025, students, faculty, and family once again packed the Field House to celebrate another graduating class -- the class of 2025. In addition to celebrating the accomplishments of those present, the ceremony also honored Jack Higgins, whose father walked across the stage and accepted his diploma. Vianney United President Adam Bay opened the ceremonies, and the recipient of the Dr. Martin Luther King Jr. Model of Justice Award, Taylor Hartman, led the opening prayer. President Ian Mulligan encouraged the graduates to look inward as they start their new journeys, that "in a world that often tells you to chase appearances, achievements, and approval, remember that what matters most is who you are becoming on the inside---your integrity, your compassion, your courage. These are the marks of true greatness. This threshold moment is holy. It requires courage. But you are ready." Our Valedictorian, Baden Suda, and our Griffin of the Year, Grant Monheiser, also presented speeches. Leavitt Coleman and Joe Nesselhauf, our Salutatorians, delivered their speeches the night before during Baccalaureate Mass.

Junior Ring Dance
One More Year

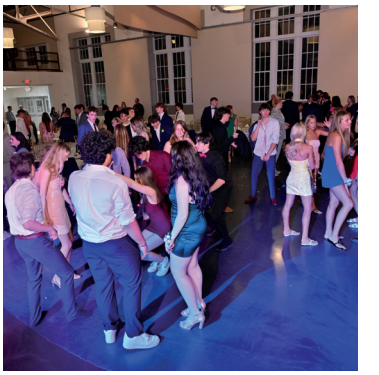

As the Junior school year of the class of 2026 came to an end, a great way to celebrate was with the Junior Unity Mass, followed by dinner and a dance. Juniors were able to bond during this event when they received their rings at the Mass, and then they further cemented their fellowship on the dance floor. As the end of the year approaches the Juniors must be ready to take on the role of seniors as leaders of the school, as stated in the speech Dr. Armon gave at the Mass. The Vianney Junior Ring is an important tradition because it is a symbol of the unity that is found in the Vianney community.

Varsity Football
Proof is in the Process

This season the Vianney Football team was able to achieve some big accomplishments. They were able to start the season off strong going 2-0! They won the first game against Webster High School 49-26 and were able to keep their momentum in their next game against Union, which they won 38-13. Later in the season the Griffins were able to defeat Belleville West in a closer game that resulted in 35-29.

A theme that Coach Starkey has had this year is that "proof is in the process." Each year more kids are buying into the process of improving the team all year long, which is leading to more competitive games year round. Coach also says that the senior group has helped him set a foundation for the program since they've been there. "We are beginning to hate losing more than we love winning," Starkey remarks, suggesting that the best is yet to come for the Varsity Football program.

Freshman/JV Football

Kick it to the max

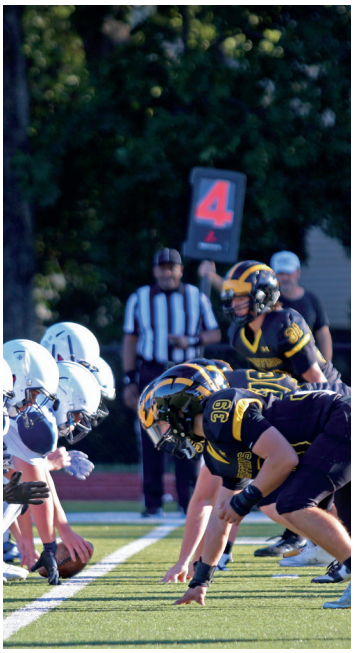

The 2024 JV Football team delivered a solid season this year, with Freshman and Sophomore players coming together to learn the game and adapt to the rigor of our competitive conference. The team played well and had great coaching. In a few years, it's easy to see these players developing into strong Varsity contenders to deliver victories over teams like DeSmet and CBC. The first game against Webster was hard-fought with a loss by a touchdown and a field goal, and they carried that momentum into their tie over Union and a nailbiting performance against Francis Howell Central, which ended in a 27-26 victory. These players proved themselves on and off the field and helped establish a foundation for years to come.

Varsity Soccer

Just a kick away from greatness

The Vianney Varsity Soccer team had a great season this year against a handful of great teams and fun games. At the beginning of the season they dominated Bayless with a score of 4-0. The next game against St. Dominic did not end as well, but the Griffins played hard and with heart. After a few more games of wins, losses, and ties, the team competed against Eureka. This nail-biter of a game ended in a tie. Their record at the end of the regular season was 11-6-4. The team went onto a 5 game winning streak after the regular season, landing them in the the state finals. Although they worked hard and played their best, it was a difficult game, and they lost to Ladue. It was a season filled with ups and downs. However, Vianney never stopped.

JV Soccer
You've got to kick it to win it

The Vianney JV Soccer team had a great season this year against a lot of great teams. At the beginning of the season they dominated Bayless with a score of 6-0. They played in the MCC tournament next against Chaminade; it was a good game but an unfortunate loss, though the players gave it their all. After they played DeSmet and played a hard fought game, they have won. After a few more games of the the season they competed in the CBC Tournament. The CBC tournament was great and they ended up winning it. This Vianney JV team had a bunch of talented kids that will be great next year. Their record at the end of the regular season was 12-9-4. They had a great season this year and worked hard. They had some hard MCC games but they played their best; even in those games which ended in losses, the players always delivered a stellar performance.

Soccer is how I roll.

The Vianney Freshman Soccer team had a great season this year. At the beginning of the season they had a hard fought game against St. Dominic with a score of 1-2. They played Kirkwood next and they tried their best. It was a good game but an unlucky lost, but the Griffins played hard and with heart. After, they played Chaminade, a tough match-up, and they emerged victorious. After a few more games of the the season they competed in the CBC Tournament. The CBC tournament was great and they ended up winning one of the games in it, a big success for the freshman team. This Vianney freshman team had a bunch of talented kids that will be great next year. The Eagles ended the the regular season with a record of 7-10-1; the Lions team record was 1-11. Each team had some rough games this year, but they fought pretty hard in each and every game and played to the best of their abilities.

Cross Country
Stride for Greatness

The Cross Country team this year has grown significantly after many years of hardship. They showed their strength, supporting each other in every meet, even when the odds were stacked against them. Throughout the season we saw a lot of ups and downs, but that didn't dampen our spirits. Whatever was thrown their way, this team of highly athletic individuals perservered through the harsh elements of nature and even overcome themselves to become a better version than they were before. During the season they placed first in the Marianist Meet Invitational and averaged a high or mid ranking in every meet that they had. At the end of the season Vianney had two runners qualify for state: Lucas Sheehan and Kyle Bardgett. This is what Lucas had to say about the year: "Running is a mental sport. Beating my personal record at state by almost two minutes depended on nothing but my mindset." In addition, Kyle had some words to say about the year: " The best part of this year was our time at districts. Hanging out with everyone throughout the whole trip before and after the meet was an experience that I will cherish forever." Lucas Sheehan and Kyle Bardgett placed in the top 25%. Lucas got a placement of 135 out of 600 and Kyle got a placement of 136 out of 600 for the last run of the 2024-2025 season. Overall, the improvements have been incredible; Coach Didier reflected on the season: "Vianney cross country is on the rise! We had two state qualifiers this year. With a strong core of young runners, the future looks bright."

Swimming
Making a Spash

In the fall of 2024, Vianney's Swim Team kicked off a successful season. It was filled with the growth of many new swimmers, including several freshmen that joined and grew alongside the leadership of the upperclassmen. This season, four swimmers went to state! These include Harrison Carter, Wade Coles, Charlie Hake, and Bobby Huster. Many of these swimmers placed as well. And for the first time we had a diver compete at state, sophomore Dayne Pastrana. It was a very successful season for the Aqua-Griffs!

Varsity Basketball

Basketball doesn't build character, it reveals one

The Vianney Varsity Basketball team had a great season this year. They started off strong in the first tournament. They had some rough games but other than that they played pretty well. They had to beat St. Mary's in the district semi to go to the district finals to play Webster. After beating a tough St. Mary's team, they faced Webster Groves. They were a good team, but Vianney dominated the whole game, leading up to 8 points; though it was a loss, the team didn't stop fighting throughout the game and played well. The team ended their season with a record of 18-11. Luke Walsh also broke 2,000 points and won McDonalds player of the year! Luke was also named Player of the Year and 1st Team All-MCC. Other notable player accomplishments include Ben Karsten being named 2nd Team All-MCC, JD Dohrmann being named 3rd Team All-MCC, and Harrison Carter being named Academic All-MCC. Overall the team and its players competed well throughout the season and made Vianny proud.

Sophomore Basketball
To The Highest

The Vianney Sophomore Basketball team had a great season this year with a record of 13 wins and 11 losses. The Freshman Eagles also had a good record of 13 wins and 10 losses which is an improvement from last year. The Freshman Lions had a record of 4 wins and 14 losses. The teams started their season strong and progressed through the season and ended better than they came into it as. Vianney will be lucky to have these same men on the court for us next year, where they will do even better and develop into powerhouse teams. Throughout the season all three of the teams were able to demonstrate true Vianney qualities of character and accomplishment on and off the court, at practice, and during games. These men really gave all they had for the team and school.

Varsity Wrestling
Leaving it All On the Mat

This wrestling season was truly remarkable. The leadership from captains like Jake Lindsey, who ran warmups, and Josh Schmitt, who led by example, really stood out. Jimmy Striler showed incredible support through his resilience during a tough injury. The team saw fantastic growth with a strong group of freshman stepping up for varsity matches, making the future look bright. They achieved their best dual record ever, only losing to the sixth best team in class four and won the Truman and Vianney tournaments. Six wrestlers qualified for state, with Andrew Lumsden making it to the podium with a sixth place finish at 190 pounds! His victory over a previous opponent at state was a key highlight. Coach Alex Borje had this to say about the season: "This team is resilient. They believe in themselves and in each other. It was one of my favorite seasons to coach, and yet I believe we will build and make the following years even more memorable."

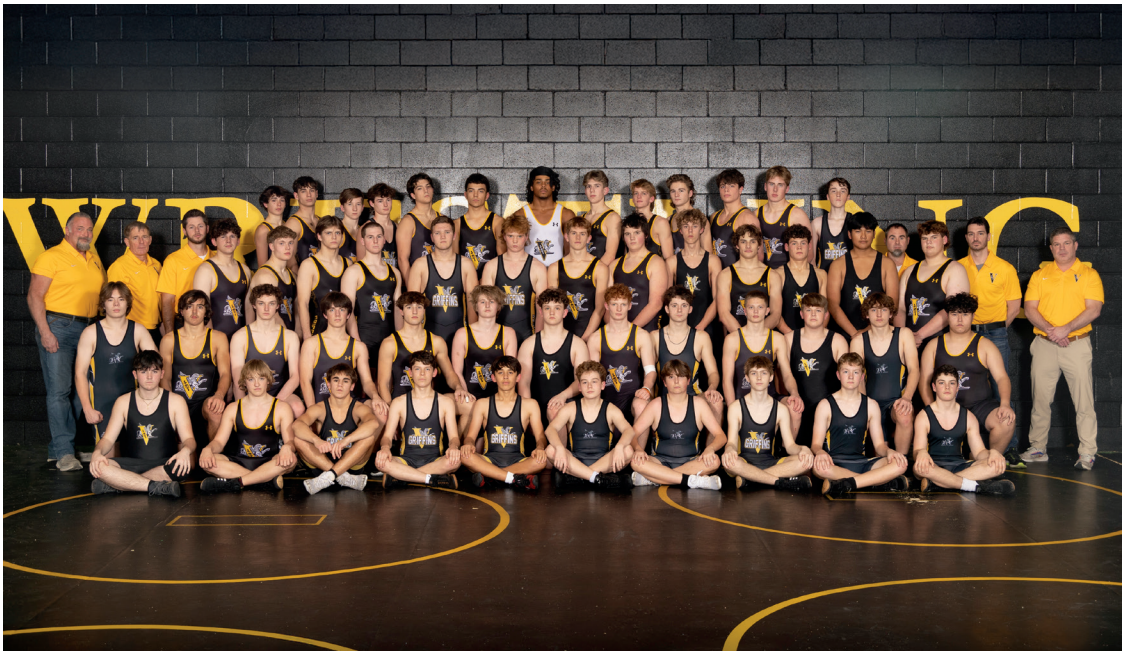

-- Devon Hobson

JV and Freshman Wrestling
New Heights

The Freshmen and JV teams were full of young talent. This year, the Freshmen Wrestling team had 18 people participating, which is bigger than most years. The two teams were mentored by the very successful upperclassmen, and they followed in their footsteps. Both teams did not lose a single meet, and they show promise to a successful future for the wrestling program. Many of them also stepped up to wrestle in varsity matches. They showed their resilence throughout the year in situations like these. All in all, both teams had a very successful, satisfying, and fun year.

Varsity Hockey
Leaving it all on the ice

The Vianney Missouri varsity hockey team started off the season strong and hit a few bumps along the way, meaning losses, injuries, etc. The team played in the pre-season Marquette hockey tournament, losing to Chaminade in the finals; despite the loss, this brought a spark to the team for the rest of the regular season. The team would overcome the adversity, still putting up a record 10-4-5 in the regular season, playing a very challenging schedule while having guys missing and hurt. The Griffins lost in the final four to Chaminade after beating Kirkwood in the first round. This team was filled with talent from upper and underclassmen and this team went out with a memorable season. Coach Joe Cero had this to say about the team: "Although we fell short of our ultimate goal, I'm proud of how this team represented Vianney both on and off the ice this season. The leadership from our strong senior class will be missed, but the program has a bright future." The varsity Griffins really showed leadership and determination, and this team will not be forgotten.

Illinois Varsity
Above and Beyond

This year's Illinois Varsity hockey team was pretty young, made up mostly by sophomores and freshmen and only two seniors on the team: Captain Jacob Rimsky and Travis Perry. Due to being such a young team, it looked like this would be a tough season. In the first game, however, going up against Triad Varsity, the team put up a staggering score of seven to nothing, taking home a win. A win like that in the first game of the season is big for the team's confidence and chemistry as a group. In the next two games, however, they had to play solid teams, made up mostly of upper classman. They were unable to bring home the win in those two games, but that wasn't going to stop them from having a great season. They went on to get a total of fourteen wins with twelve losses and two ties. With a young team like this, a record like that would be beyond most expectations. In the end, the Illinois Varsity team went above and beyond everyone's assumptions this season, ultimately ending with a tough loss to a good team in playoffs. This group had a great season.

JV Hockey
Through Great Accomplishments

The JV Griffins hockey team had a great year with a lot of improvements. The Eagles JV team won the championship game against CBC. The Eagles JV had a great season ending with a record of 13-5-5. Both the Lions JV and the Illinois JV teams had a lot of improvements, though the records don't show it. "This team was fortunate to have a healthy mix of upperclassmen and underclassmen. Over the course of the season, there were some difficult stretches. But we were buoyed by Sam Kennedy and Cam Burle, two exceptional goaltenders. We emerged a stronger team, and played our best hockey down the stretch. I am proud of this team and what we accomplished together" says Coach Skawski on the Eagles JV hockey team.

Racquetball
Racquets Locked and Loaded

The Racquetball program at Vianney has given us some valuable stars. One such would be Grant Williams who represented the USA at the World Tournament in Guatemala. Grant ended up placing second for the 14 & under doubles. Seniors Joey Passini, Noah Scott, and Aaron Vandeven have helped build the program with their years of experience. The racquetball program allows students from competitive and casual natures to still find fun in the game. Some players popped off with the JV2 team, consisting of Jackson Sindelar, Simon Dothage, Will Keller, Ian Carpenter, and Aaron Dannegger who achieved a score of 10-0 beating every other team they played. They ended up 1st in the team league for Missouri. One player remarked that racquetball was amazing and that they had a fun time playing with their teammates. The teams were co-op with DeSmet. We had 18 players from Vianney and 7 players from DeSmet.

Ultimate Frisbee
Throwing The Thorns

The 2025 season for the Fris Griffs saw tremendous growth. A player has said that their team motto is "Play with conviction" and that Dr. Towey has quoted this phrase multiple times. The team excels in Cup Defense and a Host Stack-type of gameplay. This year, the Frisbee program has 8 seniors lending their experience. Seniors Alex Khater, Joe Hartke, Joe Nesselhauf., Evan Paeper, Justin Calvert, Liam Peters, Logan Russell, and Zach Sinak have helped by imparting their insights and experience towards the underclassmen. Coaches Mr. Keeley and Dr. Towey also helped a lot with directing the conditioning and team bonding that the players needed to successfully win against the other teams in the league. This year also saw the introduction of coach Matthew Niemer to the coaching lineup, a key element in shaping up the team into the competitive powerhouse it became across the season. When asked about memorable moments from the season, Head Coach Towey smiled and remarked: "Have you ever seen a sport before?"

Varsity Volleyball

Serve strong, play strong, win strong

The Varsity Volleyball Griffins put up another strong season this year, with great leadership and athleticism from both the upper and lower classmen on the team. Including some of the highlights below, this year saw the team sweep SLUH @ SLUH (for the first time!) and sweep the returning champions, Lafayette. Under the mentorship of Head Coach Jilian Hoge, the team continued to show excellent sportsmanship on and off the court. Here are some of the individual and team highlights of the season!

- Connor Johnson finished his career as 5th in all-time assists for the program
- Sam Dore -- 1st Team All District and 1st Team All Conference
- Mitchell Jugo -- 1st Team All District and Honorable Mention All Conference
- Connor Johnson -- 1st Team All District and Honorable Mention All Conference
- Jack Brennell -- 2nd Team All District and Honorable Mention All Conference
- Isaak Lauber -- Honorable Mention All District
- 3-0 sweep in Lafayette Tournament
- Placed 2nd in a strong Zumwalt South Tournament

Fall Play
"The Play that Goes Wrong"

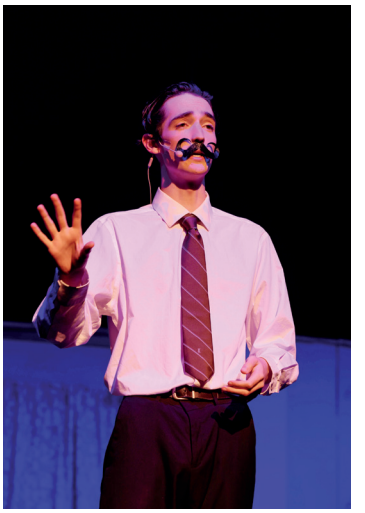

The Fall Production for Griffin Theatre was called "The Play that Goes Wrong" by Henry Lewis, Henry Shields, and Jonathan Sayer. The play revolves around a group of amateur actors putting on a murder mystery play and everything that could go wrong, goes wrong. Characters in the play go missing, some props disappear, the set starts to collapse, and actors break character. The further the play goes on, the worse the acting becomes. The play was very entertaining, earning a lot of laughs from the crowd as these deliberate mistakes occurred. The play was a success among its audience as many appreciated the efforts of these young actors. A cast member says that the reason the show had worked out well was because they had a cast that had worked together for years, which developed a strong bond between them and the help of their amazing director, Mr. Book. Lucas Hulsey, cast member, stated that "Our fall production of The Play That Goes Wrong was an outstanding adventure for the cast and myself!" Overall, the show was amazing and had incredibly talented cast members with great chemistry evident throughout the show.

Winter Play

All I Really Need to Know I Learned in Kindergarten

The winter production for Griffin Theatre was called *All I Really Need to Know I Learned in Kindergarten*. The production featured a series of short stories about how the world could be improved if adults followed the same rules as kindergarteners. If adults could learn to play nice, share, be kind to others, and clean up their mess then the world would become a much better place is what the play talks about. Griffin Theatre decided to perform this play and they did so wonderfully. The production was about presenting short stories that provide valuable life lessons. Many of the cast members have worked with each other for many years, which resulted in the excellent chemistry that was evident during the musical's showing. Cast member Lucas Hulsey talked about the production: "Winter production of [the play] was quite different than any other show…actors had to take more of a story-telling approach, which was a welcome challenge."

Spring Musical
Guys and Dolls

For the Spring Musical this year Griffin Theatre presented an outstanding Musical called Guys & Dolls. This musical is set in the 1950s following a group of crapshooters. Nathan Detroit (the organizer of the game) is in need of money and bets fellow gambler Sky Masterson he cannot take a mission doll on a trip with him. The plot follows their hilarious and unexpected story of love, gambling, and funnily enough: faith. The cast had a blast preparing for this show and this is what Lucas Hulsey, who played Nathan Detroit, had to say. "The spring musical, Guys & Dolls, was a joy to perform for the audience every night. For many of us, we feel as if it is some of our best work to date. The cast was extremely strong, and much larger than we normally have so that made it all the more fun, entertaining, and gave much more room for new talent - which there was many. Everybody involved (cast and crew) did phenomenally well and I could not think of a better group to put this musical on. Everyone worked so hard and put their blood, sweat, and tears into this production to make it enjoyable for the audience. I am grateful this was my final production at Vianney and I was able to end off the year and my Griffin Theatre career on such a high note!" Overall, this show was a great piece of work that everyone enjoyed and will cherish for a lifetime.

Campus Ministry
The future starts today...

"The future starts today, not tomorrow", said St. Pope John Paul II, which was the theme this year. We have been very successful in this mission. This year we had many Masses and retreats. One of the biggest events this year was having Father Oscar lead an Our Lady of Guadalupe mass. This year was led by Grace Burnworth, the Director of Campus Ministry, and many other important figures, including Adam Pleimann, Deacon Jeremy Remiger, Brother Chicago, and Father Sean Downing. All of their help and support made this year one to remember and helped strengthen everyone's faith.
