Football Academy
Open to all abilities

Ellesmere College is proud to announce a ground-breaking new partnership with PSG Academy UK, creating one of the most exciting school-based football pathways in the United Kingdom.

From September 2026, students will have the opportunity to train within a world-class football development programme while pursuing a full suite of high-quality academic pathways. This collaboration merges the professional sporting philosophy of Paris Saint-Germain with

Ellesmere College's outstanding educational and extracurricular environment – creating a truly unique development pathway for aspiring young footballers.

Students follow a timetable that fully integrates academic study with elite football development, ensuring that no player has to choose between their education and their sporting ambition.
