Annual AHERA Asbestos Notice For School Year 2026 – 2027

September 2026

Dear Parent, Guardian, and/or Staff Member:

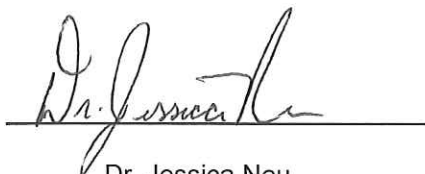

This notice is being distributed to comply with the Asbestos Hazard Emergency Response Act (AHERA).

Each school has an Asbestos Management Plan on file. This plan is updated twice annually after any and all asbestos containing material at each location is re-inspected.

Mount Arlington Public School District must have a designated contact person who maintains and updates all management plans. The district's designated contact person is Miques Valle, Facilities Manager. Mr. Valle is available to parents, guardians and staff members for information concerning AHERA.

If there are any questions or concerns regarding this notice, please call:
