STRATEGIC PLAN FOCUS: ATHLETICS AND ACTIVITIES

GOAL: We will ensure that every student is connected to athletics, co, and extracurriculars including community supports

STRATEGIES

- Regular student surveys to gauge interest (min. annually)
- Create a resources list for families to be posted on the district website - updated annually
- Activity Bus - Closer hubs
- Vertical Alignment of all athletics/activities
- Work with the Foundational Systems Team to implement long-term facilities plan
- Increase the variety of activities based on student interest
- Conduct an annual parent survey

REPORT CARD

- % of students by grade level that were connected during the school year (annually)
