 **National Hispanic and Latino Heritage Month is a celebration of Hispanic and Latino history and cultures.**

Between September 15 and October 15, we honor the contributions of Americans whose family and ancestors came from Mexico, the Caribbean, Central America, and South America. Today's quote comes from **Zoe Saldaña**, "**People think of Latina women as being fiery and fierce, which is usually true. But I think the quality that so many Latinas possess is strength. I am very period to have Latin blood.**"

 **Good luck to our Girls Volleyball teams in their games today!**

The 7th and 8th grade girls travel to San Benancio Middle School for their matches. While the 6th grade girls take on Pacific Grove Middle School in our home gym at 5pm. Come on out and cheer them on!

Go Cougars!!

 **The Tularcitos Fall Festival** is taking place THIS Friday, September 25th, and they are still looking for middle school volunteers to assist with various activities throughout the event. This is a great opportunity to support our community and gain some community service hours. To sign up and participate, see Ms.Cardinalli in the office.

 **In the 6th Grade Wiffle Ball Tournament of Donuts** yesterday at Wiffler's Park, it was an epic showdown between the **Merlanga Math Attackers** and the **Krislyn Krushers**. Fans with green pom poms were cheering on the Krushers' 12 players. Meanwhile the mini, but mighty, Math Attackers started with just 5 players. Heading into the 2nd inning up 3-2 James "Big J" Soso hit a 2 RBI moonshot that just stayed in the deepest part of centerfield. The Math Attackers' Luna DiRenzo went 3 for 3 with an RBI and the team smashed 12 total hits! But the Krushers' Maya Shakir, Amos Cohen, and Hudson Wells loaded the bases for Charlie Case's laser 2 RBI double to seal a 9-4 victory. Today is the SCIENCE SHOWDOWN with the **Guzzillaci Goats** taking on the **M Dawg Elites**. Which team will be statistically significant!?!
