

Dual Enrollment (DE) Parent & Student Guide

Unlock early college opportunities starting in the Fall of your Junior (11th) grade year! Dual enrollment allows eligible high school students to earn college and high school credits simultaneously.

Dual Enrollment Partner Institutions

While families may choose a different post-secondary institution if they wish, our primary school partners include:

- Lee University
- Bryan College
- Chattanooga State

Eligibility & Requirements

- **Grade Level:** Available for 11th and 12th-grade students.
- **ACT Requirement:** A minimum composite score of **19** is required for dual enrollment, and test scores must be available.
- Visit the ACT website here: <https://www.act.org/>

Four Steps to Get Started:

Step 1: Create a TSAC Account & Apply for the Grant

- Create your account and apply for the Dual Enrollment Grant online via the [TSAC Student Portal](#).
- *Note:* If you do not see RPCA listed yet, please give it a few days as they are actively being added to the system.

Step 2: Review Your Student's Plan

- Examine your student's tailored 11th and 12th-grade plan using the [RPCA High School Academic Plan](#).

Step 3: Download & Review Transcripts

- Download your student's transcript (attached separately).
- Review and discuss the preferred institution and course locations where you would most prefer dual enrollment to take place.

Step 4: Explore State Resources

- Learn more about program benefits and guidelines by visiting the [TNDOE Future Ready Dual Enrollment Page](#).
