Parent, Family and Community Engagement Policy

Parent & Family Engagement (PFE) Program	
Statement of Purpose	At Mission Elementary, we strive to provide high-quality education individualized for each student by developing and maintaining relationships with families and the community. One way we continue to do this, is by participating in Title I, Part A State Program Funding. In return, we promise to meet the expectations laid out for us by the Texas Education Agency. We understand our roles as educators and families and are committed to doing whatever it takes to help our students succeed.
Funding	Title I funds will be allocated for the implementation of the parent and family engagement program. Such programs, activities, and procedures will be planned and implemented with meaningful consultation with parents of participating children.
Review	All use of funding and activities can be reviewed by the Texas Education Agency upon request to ensure they meet the need of the PFE Program.

Forms of Academic Assessments	Mission Elementary has common formative assessments that every teacher gives. Previous STAAR tests are released and utilized for assessment and instruction in addition to other curriculums.
Expected Achievement levels on academic assessments	The State's Performance Standards can be found on this website: https://tea.texas.gov/student-assessment/testing/staar/staar-performance-standards Mission Elementary tracks each child's growth throughout the year via local assessments (mentioned above). Each child has a folder where teachers help them track their own learning growth.
Communication	Parents and Guardians can share suggestions, ideas, or concerns by communicating with your child's teacher, via email or phone call. Staff emails can be found on our school website. We will also communicate through Class Dojo, Blackboard and grade level newsletters. We welcome any feedback and concerns as we want our school to be a place where everyone feels safe and welcomed.
