

BICYCLE AND SCOOTER USE EXPECTATIONS

Bicycles and scooters are permitted on campus only when used as a transportation device to and from school. Please note the following important factors:

- The privilege of bike/scooter riding is permitted as long as the rider exercises reasonable safety and obeys all traffic laws
- E-scooters are not permitted at middle schools as they require a student to be 16 and possess a driver's license
- E-motos are considered motorcycles by law and are not permitted at middle schools.
- E-motos must have all equipment making it street legal, be registered with the DMV, and the rider must possess a motorcycle license
- Only California law-compliant e-bikes and e-scooters are permitted on campus; illegal e-bikes and e-scooters may not be brought onto campus or stored in bike cages.
- Provisions are made to safeguard bikes and scooters, but the school assumes no responsibility if a bicycle or scooter is damaged or stolen. Students are expected to keep their bicycle or scooter locked at all times.
- Teachers and school staff have the authority to confiscate a bicycle or scooter, and the school principal/designee has the authority to not allow students to ride their bicycle or scooter to school for a specified period.

Repeated violations will mean students cannot ride their bicycle or scooter to school. The following rules are designed with student safety in mind, and documented violations can be cause for the loss of riding privileges:

- Students riding bicycles/scooters must wear bicycle helmets.
- Obey all traffic laws. Ride defensively, on the right side of the road, and watch out for all traffic and people.
- Riders are prohibited by law from using their phone or wearing headphones while riding
- When arriving at or leaving the school, cross only at intersections with crosswalks.
- Upon arrival on school grounds, dismount and walk your bike/scooter directly to the bike racks.
- Never ride your bike/scooter on the sidewalks at school or in the parking lot.

- Each bike/scooter must have its own lock and chain. Do not lock bikes or scooters together. All bikes/scooters are to be locked to the bike rack, in a slot. Do not lock bikes or scooters on the ends of the rack.
- Bicycles/scooters are not allowed in the classroom.
- To ensure the security of all students' property, we do not allow students to congregate in and around the bike racks.
- Students are to follow the bike path and are not allowed to ride their bikes in the parking lots or across campus.
- FCUSD is not responsible for loss or theft of personal property

Class 1 E-Bike Red light required for all e-bikes, day or night  Pedal assist • No age restriction • Max speed: 20 mph • Helmet required under 18 • Bike lanes & trails OK	Class 2 E-Bike Red light required for all e-bikes, day or night  Pedal assist and throttle • No age restriction • Max speed: 20 mph • Helmet required under 18 • Bike lanes & trails OK	Class 3 E-Bike Red light required for all e-bikes, day or night  Pedal assist • Riders must be 16+ • Max speed: 28 mph • Helmet required for all • Bike lanes & trails OK
