September 18, 2026

Dear Parent/Guardian:

Our school district receives federal funds for Title 1 programs that are part of the Every Student Succeeds Act (ESSA) Act of 2015. One of the conditions for receiving these funds is to notify parents/guardians of their right to request and receive information regarding the professional qualifications of their child's teacher and paraprofessionals.

By law, you have the right to ask for the following:

- Whether your child's teacher has met the Florida Department of Education (FDLOE) licensing and qualification criteria for the subject area(s) and grade level(s) in which the teacher provides instruction;
- Whether FLDOE requirements have been waived to allow the teacher to teach under emergency or other provisional status;
- The teacher's college major and the field of discipline or specialization for any advanced degrees/certifications held by the teacher;
- Whether your child is provided by paraprofessionals and, if so, their qualifications; and
- Your child's level of achievement in each of the state academic assessments.

If you would like to receive any of the above information, please feel free to call 754-323-7300 and ask to speak to the Title 1 contact person for Sheridan Hills Elementary.

Thank you for your continued interest in involvement in your child's education.

Sincerely,

Dr. Josetta Campbell
Principal
