

SPONSOR-A-STUDENT

Your chance to directly impact a young woman's life
through the meaningful gift of education

BRIDGE THE GAP

Ensure that a young woman can access a faith-filled education, that empowers them both academically and personally.

CONNECT

As a donor, you'll build a special connection with our school and your sponsored student, receiving updates that show the meaningful impact of your generosity.

MAKE AN IMPACT

Provide critical assistance to a young woman with financial need for each year of her career at Oakland Catholic High School.

Sponsor-A-Student

Why?

Each year, Oakland Catholic supports students with significant financial need, but the demand often exceeds available resources. The Sponsor-A-Student program bridges this gap, ensuring young women can access a faith-filled education that empowers them academically and personally.

By committing to sponsor a student for all four years, donors provide life-changing opportunities in our unique learning environment. Sponsors also build meaningful connections through updates from the school and the student, making a personal and profound impact—empowering one student at a time to succeed and make a difference in the world.

How?

Choose the level that aligns with your desired contribution and commitment to helping a student—or students—become our future leaders, inventors, and innovators of tomorrow. Together, we can create opportunities that inspire greatness and transform lives.

Sponsorship Levels

Supporting Oakland Catholic High School through a four-year commitment at any of the following levels—**\$1,500, \$3,000, \$5,000, \$10,000, or \$15,000** annually—provides critical financial assistance to families facing challenges in affording tuition. Your generosity helps make our mission of providing a transformative, faith-based, all-girls Catholic education attainable for students from all backgrounds. Whether supporting middle-class families who need a little extra help or students with the highest level of financial need, your contribution ensures access to exceptional opportunities rooted in our core values of Spirituality, Scholarship, and Service.
