Dear Ms. Mitchell,

This email is to provide fulfillment of the Public Records Request received in our office on Wednesday, September 9, 2026. Your request was for the following records:

Job Titles, Incumbent Count (# of employees in that position), Average Annual Salary for each job title.

Salary information for all full-time employees is publicly available on our website. This information includes job titles.

Please note that we do not maintain an existing report or record that calculates the average annual salary for each job title. Idaho code allows us to provide access to existing public records; however, it does not require the District to create a new record in response to a request. Completing or compiling the information into the form described and provided in your request would constitute the creation of a new record that the District does not currently maintain.

District salary information can be accessed at the link below:
https://www.emmettschools.org/departments/finance/new-financial/contracts

Additional public financial information may also be available through the Transparent Idaho website:
https://transparent.idaho.gov/

If you would like to request existing District records that are not already publicly available on our website, please complete the attached Public Records Request Form and identify the specific records you are seeking.

This response completes the District's response to your September 9, 2026 public records request.

Please let me know if you have any questions.

Sincerely,

Amanda Weers
