They will also decide what games/activities we play in our rallies. | Leaders will advertise the student council opening to all students, if interested they will apply through a provided link. Myself and Sandra will decide who is council for the first month. | | X | |
| • **Quality Staff** | 1 | Alexis Boles (SC)<br>Sandra Pacheco (ASC)<br>SVPS Leaders | As a team, I would like to have all staff have a better and firm understanding of classroom management and consistency. They should feel comfortable enough to ask for help/advice, and take suggestions to fully succeed in their classrooms. Everyone should know how the day is run just in case, myself or Sandra are not present. | We will have 1:1's monthly with staff to check in to see what is going well in their class and where there is room for improvement. We have spoken to our principal to have monthly walkthroughs to stay aware of everything that is going on during program time. We will have our behavior support provide quality suggestions to staff after her walkthroughs, then Sandra and I will follow up with our own walkthroughs and shadowing. | | | X |
| • **Active & Engaged Learning** | 1 | Alexis Boles<br>Sandra Pacheco<br>SVPS Leaders | Our numbers are crucial to our program so we'd love to keep the youth excited to return daily with more engaging lessons. Such as art club, music, cooking club. | With the help of our expanded learning coordinator and utilizing student voice. We will ask our students what activities they would like to participate in to keep them coming and engaged in powerschool. | | | X |
