Hello! I am writing to inform you that we have received your public records request in our office today, Monday, March 23.

We were out of the office for spring break last week, and your public records request was sent to a staff member in a different building who does not deal with public records requests. Your request was forwarded to me today.

Please allow us the chance to review this request and get back to you. Please note that with the request being received today, we will require at least three business days and possibly up to the full ten allowed by Idaho public records law. With many staff members just returning to full schedules following spring break, the timeline may depend on the scope of your request.

Based on my initial review, it appears you are seeking information on agreements and contracts. Please note that our agreements and contracts are posted to our website at the following link. I will review your request in detail to assess whether we possess any additional responsive records and will provide you with a formal fulfillment of your request as soon as possible.
