RECOGNITION OF VISITORS/PUBLIC COMMENT PERTAINING TO THE AGENDA:

- There were no comments from visitors.

OLD BUSINESS:

- Mr. Jamie Galentine would like to discuss B2 on the agenda – Cell phone policy and handbooks.
 - Board Member Mr. Jamie Galentine asked the Board to discuss the Cell Phone Policy. He believes that cell phones help the students with self-management and he believes we should trust

the student. Cell phones are a direct communication with parents and can be used in education. We can train in the appropriate use of the phone. By banning the phones we are missing an opportunity to teach them responsible use of the phone.

- Mr. Mike Rotz said we need to teach the students how to talk to one another without a phone. Communication is key to a good education.
- Mr. Jamie Galentine responded that we need to educate students on cell phone usage.
- Mr. Jason Powers reminded everyone that we have an obligation to educate. Study after study say that cell phones are detrimental to our children.
- Dr. Adam Saeler said that we can see how the ban goes and can adjust as we learn. We should get input from the Teachers. Let's check in after a few months and see how everything is going.
- Mr. Dan Savolskis noted that he is reviewing a study and will send to the Board. The study covers why social media is being banned because of the impact on the developing brain.
- Mr. Powers noted that if there is a need for the cell phone in teaching then we allow that.
- Mr. Mike Rotz also mention that it should be allowed if the student has a medical issue such as monitoring diabetes.
- Dr. Adam Saeler recommended that the Curriculum Committee develop a questionnaire since the cell phone ban originated from the committee.
