Early Learning Parent Advisory Committee (PAC)

PAC works to support the school district's early learning programs and services to families. PAC discusses program policy, program services and parents' perspectives on ways to improve quality and accessibility. PAC's main purpose is to:

- Assist in supporting the early learning programs
- Serve as a staff resource
- Share feedback from parents
- Create a space for new ideas
- Advocate in our community
- Raise money for scholarships
- Plan and host fundraising events

Parents are invited to join as a parent member or in a council position. For a list of current openings, please contact us!
