3-YEAR SCHOOL AP DATA

ONLINE COURSES

Through Fayetteville Technical Community College and Virtual High School, a variety of online courses are offered to Upper School Students who have maximized our curriculum or are seeking unique elective opportunities that we do not offer. Online courses are taken under faculty supervision. They are listed on our transcript, but without a grade and are noted as an online course. Seniors may to take two online courses to receive college credit.

UNCP PARTNERSHIP

Beginning in the 2024-2025 school year, Upper School students are eligible to take three University of North Carolina at Pembroke classes on the campus of Fayetteville Academy to receive dual enrollment credit. Courses include:

- HIS 1010
- HIS 1020
- ENG 1050
- ENG 1060

HLT & LEAP STEAM SMARTLABS

Students through all grade levels have access to three state-of-the-art STEAM SmartLabs, the only ones of their kind in our area. SmartLab enables learners to engage in project-based work to explore and utilize various technologies. This includes working with robotics, coding and 3D printing. Through this experience, students develop and hone important real-world skills such as problem-solving, collaboration, project planning and communication.
