Math

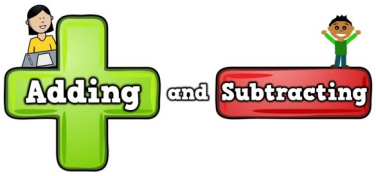

Unit 1: Numbers Within 20: Addition, Subtraction, & Data

We will finish working on lesson 5, focused on solving two-step word problems.

Students have practiced a variety of ways to solve these problems. We have used these strategies:

- *Drawing pictures*
- *Bar models*
- *Number lines*
- *Writing equations*

Students will be assessed on their understanding and ability to solve two-step word problems on Tuesday, Sept. 29. We will finish the week by reviewing all Unit 1 concepts.

Human Body

This week students will learn about dental health and their teeth.

Our **human body writing project is due this Tuesday 9/29. We will have a quiz on this content on Wednesday 9/30.**

Come to our annual Magic School Bus Night on Friday, Oct. 2 from 5:00-7:00. The whole family will love this hands-on event!

Wounded Warrior Coin Drive: Check those pockets, couches, piggy banks, and cars! We are collecting change to try and change a veteran's life. Each classroom will collect change for this non-profit organization.
