Subject: First Interim Report

The First Interim Report is the first state mandated step in the process of reviewing and monitoring the District's budget. This report provides a snapshot of the activity from July 1 through October 31. The budget is a living document that will continue to be monitored and revised throughout the year, as assumptions change or actual allocations of funding or expenditures become known.

At this time, the District is reporting the changes that have been incorporated in the budget since the estimated actual budget revisions were approved. These revisions will comprise the new board approved operating budget. A summary of the budget revisions follows.

GENERAL FUND

Revenues

Local Control Funding Formula (LCFF) Sources **$ (26,640)**

Estimated Average Daily Apportionment (ADA) is 1,991. Preliminary CBEDS enrollment is 2,253, 15 less students than prior year. **The District is experiencing the third year of declining enrollment**. It is anticipated that ADA will be funded at 2,090 ADA using an average of the three prior years. By using the prior three year method, ADA receives a positive artificial bump due to the COVID relief funds received in 2021-22. LCFF funding allocates revenue at $12,144 per ADA for the base grant, $316 per ADA for Career Technical Education and $4,064 per ADA for 80% of the student population identified as low income, foster, homeless or an English Learner. **Due to a decrease in funded ADA, LCFF revenue decreases $395,000 in the budget year.**

Federal Revenue **$ 508,096**

After closing the prior year financials, unused or deferred categorical funding is added to current year revenues. The Title I deferred carryover from 2023-24 is $372,000.

Other State Revenues **$ 4,777,979**

Unused or deferred categorical funding from the prior year is added to current year. This adjustment to revenue also includes a $3.99 million CalSHAPE HVAC Upgrade and Replacement grant

Other Local Revenues **$ 136,709**

Payments of Medi-cal Administrative Activities funds, as well as a CTA reimbursement for certificated salaries, are added to this category.

Transfers In **$ 0**

Other Sources **$ 0**

Expenditures

Certificated Salaries **$ (161,343)**

Certificated staffing costs are adjusted to actual from projected costs as vacancies are filled. One Special Education teacher vacancy was left unfilled at Oroville High.

Classified Salaries **$ 253,183**

Classified staffing costs are adjusted to actual from projected costs as vacancies are filled. This increase in salaries reflects an agreement made with the classified bargaining group to increase hours for para-educators and library technicians for the budget year with Learning Recovery Emergency Block Grant funds. Savings from unfilled para-educator vacancies reduce the overall impact of the additional hours.

Employee Benefits **$ (188,825)**

Statutory benefits changes result from salary changes mentioned above. Savings from unfilled vacancies and extended leaves are also captured for this revision. Several para-educator vacancies were not filled and the duties are being covered by contracted services for which benefits are not applicable.

Books and Supplies **$ 766,263**

The increase in this category is associated with incorporating the carryover and related expenditure of funds from prior year. $365,000 is carried over and budgeted for expenditure in the Title I program. $94,000 of this increase is related to purchasing desks and chairs to equip new classrooms. $50,000 in science lab supplies and equipment is added for purchases made to comply with Williams Act requirements.

Services and Other Operating Expenditures **$ 915,824**

The increase in this category is associated with incorporating the carryover and related expenditure of funds from prior year. Additions to services also include new or increases in costs for contracted para-educators, as vacancies remain unfilled. Expenditures also include building and site improvements that are fund from one-time reserves. $233,000 is allocated for gas line repairs at Las Plumas.

Capital Outlay **$ 4,243,677**

Expenditures include an upgrade of the Las Plumas bell system, as well as the costs related to the grant-funded HVAC upgrades and replacements to be made throughout the District.

Other Outgo **$ 144,549**

The adjustment of estimated Special Education bill backs.

Indirect Costs **$ (19,116)**

The recalculation of indirect costs that can be charged to restricted programs.

Transfers Out To Other Funds **$ 0**

Reserves

Unrestricted ending fund balance is estimated to be $16,724,831. $200 is classified as nonspendable and is attributed to the revolving fund cash balance. $46,132 has been donated for an athletic field lighting project. $8,837,549 (17%) of unrestricted funds are set aside in accordance with BP 3100. $7,840,949 remains unassigned. Excess reserves above the state requirement of 3% exist for:

- Protection during declining enrollment. Enrollment has declined in the current and first prior year. While projections indicate that enrollment will increase in the near future, charter schools continue to compete for district students. It is difficult to implement budget reductions in proportion to the loss in revenue in perfect coordination with the loss of students. Excess reserves allow time to properly plan for budget reductions, and in some cases, wait out the loss of enrollment without making budget adjustments.

- Differences in actual LCFF funding from projections. For funding calculations, enrollment, average daily attendance and unduplicated counts are not finalized until April of each fiscal year. Reserves allow the District to temporarily absorb funding decreases when actuals fall below estimates.

- Repair and maintenance of aging facilities and bus fleet. Reserves allow the District to meet its obligations when a building needs an unplanned repair, technology equipment fails or a bus goes down.

- To keep current with advances in technology and replace aging equipment.

- To address safety concerns.

- To fund current year salary and benefit settlements with employee groups.

- Legal matters.

- Volatility in state funding or general economic conditions. In past years, the District has suffered drastic cuts in state funding and has been subjected to unplanned reductions in funding (mid-year cuts or deferrals of program payments). The State also has a history of deferring apportionment payments unexpectedly when it runs out of cash. As reserves are difficult to build during tough times, having a reserve over the state minimum insures that obligations can continue to be met.

- Unplanned needs of special education students. The district must have financial resources available to allow the flexibility to meet the needs for appropriate educational services for this group. As students and/or interventions frequently change, it is difficult to accurately project expenditures each year.

OTHER FUNDS

Adult Education Fund

Revenues are increased to reflect the final allocation of WIOA and Adult Education Program funding, as well as an increase in anticipated interest earnings. Books and Supplies reflect the planned purchase of computers for the Chico center. All other revenue and expenditure categories are adjusted by immaterial amounts.

Cafeteria Fund

Revenue estimates were increased to reflect anticipated interest earnings. Salaries and Benefits are adjusted to reflect current staffing levels. Food costs and services are increased due to the increase in projected costs.

All Other Funds

No budget revisions are necessary for any of the remaining funds.

General Fund Cash Flow Projections

- Actual cash balance at June 30, 2024 - $22,007,883
- Projected cash balance at June 30, 2025 - $17,902,894

S8. Status of Labor Agreements

Analyze the status of all employee labor agreements. Identify new labor agreements that have been ratified since budget adoption, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues, and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards and may provide written comments to the president of the district governing board and superintendent.
