Please honor our request for the names, addresses and phone numbers of your district's retiring school personnel.

We are compiling a statewide database for the Retired Educators' Association of Idaho (REAI) and we would greatly appreciate your cooperation.

The REAI membership includes retired Idaho educators or interested individuals. We would appreciate the name and address of all retiring employees. This will enable your retirees to receive information about the benefits available to them through REAI.

Please email the data (preferably in an Excel file) to IDRetirees@gmail.com or mail it on a USB drive to:

Retired Educators Association of Idaho
4561 W. Farm View Drive Boise, ID 83714

Thank you so very much for your assistance with this matter. Someday we hope to have you too among our membership.

Sincerely,

Barbara Blasch
REAI Executive Director
