Subject: Formal Notice for District Handbook Changes

Rob,

We have recently learned that the district has modified the Staff Handbook to include language regarding Arrest of and/or Criminal Charges Filed Against an Employee. This would be a significant change in the terms and conditions of employment. This letter is formal notice to the School District that we object to any district plan to unilaterally implement this process. This letter is a formal demand for the district to cease any action regarding this process and to negotiate on this issue.

Regards,

Lori LeVasseur
