

Parents/Guardians of BISD Student-Athletes,

BISD Athletics currently utilizes Healthy Roster for maintenance and submission of all required medical paperwork and injury reporting. Healthy Roster provides new features, including direct messaging your student-athletes campus athletic trainer regarding injuries and care.

Parent invites have been emailed out from Healthy Roster (check spam folder) with instructions on creating your account as of April 1st, 2026. The invite was sent to the email listed in Skyward! Once your account is active, you'll automatically see required forms ready for completion by clicking your child's name and then clicking "Documents". For more helpful information, click the links below or contact your child's campus athletic trainer! If you can't find your email invite, please click the frequently asked questions link below for more guidance.
