Superintendent's Report

"District News"...

School Safety and Leadership

Greg Musgrove, Assistant Superintendent of School Leadership, provided the School Board with an update on the district's [Say Something Safety Reporting system](#). While the school district has had an anonymous tipline for several years, the new system is monitored 24 hours a day, seven days a week, providing continuous access to support and resources.

Dr. Tiffany Franchiseur, Associate Superintendent, shared highlights from the 2026 BUILD Conference held last week at the Dianne Wright Innovation Center (DWIC). The theme for the Fall BUILD Conference, "BUILDing the Conditions for Every Classroom to Thrive," focused on equipping school and district leaders with strategies and practical tools to create the conditions necessary for student and teacher success. Sessions emphasized turning key concepts into meaningful, actionable practices that can be implemented in schools and classrooms.

Congratulations to EPHS and HHS for receiving the Sportsman Cup. And PCHS for earning the Superintendent's Award.
