

Dear Families,

We at Griffith Elementary are always thankful to honor those who have served in the United States Military at home or abroad. To show our gratitude to the service members, we are asking for our students who have family or friends who have served/are serving in the military to make a Veteran's Day poster that includes a picture of your Veteran, branch of military served, and years of service. Please send it with your child by Friday, October 23 so that we can display it during the month of November in their honor. On the back of the poster, PLEASE include your child's name, teacher, and grade. so the posters can be returned to you before Thanksgiving.

To celebrate even further, students can invite a veteran for lunch and wear red, white and blue colors on Tuesday, November 10th in honor of Veteran's Day! On Wednesday, November 11th, the schools will be closed for Veteran's Day to honor veterans!

Thank you! GES Family

Fill out and return to the school to participate in Lunch with a Veteran

☐ My child will participate in Lunch with a Veteran.

Child's Full Name: _____

Veteran's Full Name (As listed on Driver's License)

Child's Homeroom Teacher _____
