

Jean Massieu Academy Parent Family Engagement Policy

2026-2027

Parent & Family Engagement (PFE) Program	
What is it?	Jean Massieu Academy is committed to our vision: Every student matters and serves a purpose. We strive to provide high-quality education individualized for each student by developing and maintaining relationships with families and the community. One way we continue to do this is by participating in the Title I, Part A Program. This program provides funding for low socioeconomic schools. In return, we promise to meet the expectations laid out for us by the Texas Education Agency and the United States Department of Education.
Funding	Title I funds will be allocated for the implementation of the parent and family engagement program. Such programs, activities, and procedures will be planned and implemented with meaningful consultation with parents of participating children.
Review	All use of funding and activities can be reviewed by the Texas Education Agency upon request to ensure they meet the needs of the PFE Program.
Family Meetings	Eagle Family Connection meetings offer a time for the school and family to communicate necessary information. These meetings will always take place in the cafeteria. You can enter through the main entrance. These meetings are scheduled at 8:00 on Wednesday mornings, and take place once per month.
How to be Involved	▶ Become a member of the JMA Engagement Committee by emailing Mrs. Blakeslee at ablakeslee@jmaisd.org. ▶ Attend the meetings above and the family trainings/activities below ▶ Talk to your child's teacher about how to help/volunteer in the classroom. ▶ If you do not know your child's teacher's phone extension or their email, contact the principal at nyousef@jmaisd.org.
Family Activities	Family activities are opportunities for family members to connect with other parents, community members, and educators. Forms of Academic Assessments	Example School has common formative assessments that every teacher gives. Pre-K is assessed using Circle Progress Monitoring (CPM). Kindergarten is assessed in reading and math using Kindergarten Progress Monitoring (KPM).

	1st and 2nd grade reading is assessed using TPRI and math is assessed using MAP. 3rd-12th grade reading and math are assessed using MAP. Previous STAAR tests are released and utilized for assessment and instruction in addition to other curriculums.			
Expected Achievement Levels on Academic Assessments	The State's Performance Standards can be found on this website: STAAR Performance Standards Texas Education Agency			
	Jean Massieu Academy tracks each child's growth throughout the year via local assessments (mentioned above).			
Ways to Request Regular Meetings	Guardians can bring any suggestions, ideas, or concerns to the Eagle Family Connection meetings listed above. However, if they need to meet with the administrators or their child's teacher at another time, they can email that individual person, or call the school office to set up a time to meet. We welcome any ideas, feedback, and concerns as we want our school to be a place where everyone feels safe and welcome.
