AUTOMOTIVE TECHNICIAN

Are you ready for a career in the automotive industry?

The McCann Technical School Adult Education Program, in collaboration with the MassHire Berkshire Career Center and the Commonwealth Corporation, is offering a free 200-hour automotive technician training program with credentials and career placement assistance. Our CTI automotive technician program will provide students with industry training and hands-on experience working on today's electronic integrated vehicles.

Certifications include:

- Basic S/P2 Safety and Pollution Prevention
- S/P2 Electric Vehicle Safety
- ALI Lifting it Right Training
- John Bean System V Tire Machine
- B2000P Diagnostic Tire Balancer
- Pro42 Wheel Aligner
- ProCut On Car Brake Lathe
- Snap-On 504 Multimeter
- OSHA-10
- Hot Works

Apply now to chart your path for a career in this exciting, lucrative, high-demand automotive technician field!

Training and program costs are free as this program is grant funded for workforce development by the Commonwealth Corporation. Collaboration with the MassHire Berkshire Career Center is a required part of this program. All of the training, materials, and certifications are free. This class is for serious participants who want a job in the automotive technician field. Attendance, employer engagement, job placement and career readiness work is included.

Program dates: November 16 - March 1, 2027
Classes will be Monday through Thursday: 3:15-7:15 pm.

All applicants must meet eligibility requirements and apply through the MassHire Berkshire Career Center. For questions, call (413) 499-2220.
