

SPX Gameday Policies

Supporting the Panthers varsity football program at Kubiak Stadium is a proud St. Pius X tradition that brings our students, families, alumni and extended community together each season.

To help ensure that every gameday is safe, welcoming and enjoyable for our entire community, all guests are asked to review and follow the policies below. Please note that some policies may have changed since your last visit to an SPX game.

Panther Tailgating

Tailgating is a great way to gather family and friends before the game. To maintain a safe, respectful and family-friendly environment, all tailgating guests are expected to follow these policies:

- Tailgating is permitted from 4:30 to 7 p.m. on home varsity football game days in the designated tailgate area on the front lawn of the main parking lot, facing W. Donovan St.
- Tailgating is permitted only in the designated area. Campus parking lots, driveways and fire lanes must remain clear at all times.
- Only vehicles with a reserved parking permit may enter the main parking lot. A drop-off zone is available near the main entrance on W. Donovan St.
- Open-flame grilling is not permitted. Electricity is not available in the tailgate area.
- Smoking, tobacco products and vaping are prohibited on campus.
- Alcohol is not permitted anywhere on campus.
- All tailgate equipment, games and personal belongings must be packed up and removed by 7 p.m., before the game starts.
- Children must be supervised by an adult.
- Please dispose of all trash and leave your tailgate area clean when you depart.
- Stadium restrooms near the concession stand open when stadium gates open at 6 p.m. A valid game ticket is required to enter the stadium.

Stadium and Guest Expectations

To help us keep a safe and welcoming environment for all fans, please observe the following:

- Children in middle school and younger must enter with an adult. Gate workers will ask children to identify the adult responsible for them.
- SPX students receive free admission with a valid School ID or MySchoolApp profile.
- No outside food or beverages are permitted inside the stadium. This includes personal water bottles and insulated containers such as Yeti, Stanley, Owala and other items of such nature.
- Backpacks are not permitted inside the stadium. Only small handbags are allowed.
- Smoking, tobacco products, vaping and alcohol are not permitted on campus.
