Help Keep Our Community Warm This Winter!

Senexet Grange #40, a local community organization based in Woodstock, CT, is organizing its **2026 Annual Winter Boot Drive** benefiting **TEEG**, which supports individuals and families throughout northeastern Connecticut.

We are inviting families to donate **new or gently used winter boots and new socks** in all sizes to help children, adults, and seniors in our region stay warm and safe during the winter months.

Donation Details:

- Collection Period: Throughout October 2026
- Community Drop-Off: Saturday, November 7, 2026
- Drop-Off Location: Putnam Town Hall - Parking Lot
- Items Needed: New or gently used winter boots and new socks
- Sizes: All ages and sizes

Families wishing to participate may bring donations to the community drop-off location on November 7.

If your family needs winter boots or socks this season, we encourage you to contact **TEEG** directly to learn more about available resources and assistance.

Every donation, large or small, can help make a difference for someone in our community.

Thank you for your generosity and for helping us keep our neighbors warm this winter!
