Architect of Learning

I am a lifelong learner with a spirit of inquiry who sets goals and persists through challenges while maintaining a state of well-being.

- I seek out new information, ask questions to learn more, and make connections to things I already know.
- I set personal and academic goals and develop a plan to meet those goals
- I take ownership of my learning by monitoring my progress toward my goals
- I demonstrate a growth mindset and resilience by persisting through challenges
- I regulate my emotions, make responsible choices & advocate for my well being.

Collaborative Leader

I am an ethical partner and leader who demonstrates compassion for others while pursuing and achieving shared goals.

- I actively participate in an inclusive learning community
- I am reliable and follow through on my commitments to myself and others
- I model integrity and honesty and resolve conflicts respectfully

Global Innovator

I am a culturally aware critical thinker who applies knowledge and skills to solve complex real-world problems.

- I respect, seek to understand, and engage with people from diverse cultures, languages and perspectives
- I critically evaluate information using my knowledge, experiences, and reasoning skills
- I approach challenges to local, national and global issues to collaboratively design innovative solutions

Empathetic Communicator
