ACADEMIC OPTIONS

Students may enroll in many courses of various levels of rigor including Honors, Advanced Placement, College in the High School, and CTE Dual Credit courses. In these courses, students have the opportunity to earn university or community college credit while enrolled in our classes. Students can also choose to enroll in full or part-time Running Start, a dual enrollment program where college courses are taken at local community colleges or the Washington Network for Innovative Careers (WANIC) which are offered on multiple campuses.

ACADEMIC SUPPORT

To provide students with the necessary time and support to learn, Eastlake offers student interventions during the school day through Homeroom and MTSS based intervention. In addition, nearly all classrooms have some form of test retake policy while the majority of classrooms have a non-zero-credit homework policy.

LINK CREW

Through our program, students in Grades 11 and 12 serve as mentors, supporting incoming 9th graders through their first year and helping to create a welcoming, positive culture for all students.

CHARACTER EDUCATION & LEADERSHIP

Eastlake believes students need to develop the intellectual strength and character necessary for lifelong success as captured by our motto Wolf Strong, Pack Strong (WSPS). Eastlake embeds character education through Grade 9 Health/Fitness and Biology. The focus on school culture and 'servant leadership' ensures students feel valued and connected.

Eastlake also has a traditional student government for building leadership and promoting student voice with a school senate that helps with school communication and provides student voice in our continuous improvement process.
