The Oxford Area School District is aware of an investigation by the Pennsylvania State Police concerning allegations of an inappropriate relationship involving a staff member and a student at Oxford Area High School. The District takes all allegations involving the safety and well-being of students extremely seriously. Upon becoming aware of the matter, the District immediately acted in accordance with applicable laws, policies, and reporting requirements and is cooperating fully with law enforcement authorities.

Because this is an active investigation being conducted by the Pennsylvania State Police, the District is unable to comment on specific allegations, individuals involved, or details of the investigation. Out of respect for student privacy and legal requirements, no additional information will be released at this time.

The safety, security, and welfare of our students remain the District's highest priority. We are committed to maintaining a safe and supportive educational environment and will continue to provide appropriate assistance and resources to our students and school community. The Oxford Area School District encourages anyone with information relevant to this matter to contact the Pennsylvania State Police.

Further updates will be provided by my office when appropriate and consistent with the law and the ongoing investigation.
