Athletic Registration Update

Dear Mercer Families and Student-Athletes,

Winter sports season is fast approaching! As we prepare for another exciting season of Mercer Athletics, please review the following important updates regarding our online athletic registration process.

New Student-Athlete Registration

Please note that our athletic registration system has transitioned to Arbiter Sports (formerly BigTeams). If your student-athlete did not participate in a fall sport this school year, you will need to create an account and complete the full new athlete registration. Please visit the Mercer Area School District athletic registration page for detailed step-by-step instructions and access to the registration portal:

Returning Fall Athletes (Winter Recertification)

Students who completed a fall athletic registration must complete a Winter Registration/Recertification before participating in winter sports practice or tryouts:

- Log into your existing Arbiter Sports account and select the **Winter Registration Program**.

- Select your student-athlete. Information previously submitted during the fall registration will automatically populate.

- Carefully review all pre-filled information, updating contact numbers, medical history, or insurance details as needed.

- Navigate to the bottom of the Injuries section to complete any remaining recertification questions. If answering "Yes" to any of the RECERTIFICATION sections a CIPPE Section 8 will need to be printed, completed by a physician and uploaded appropriately.

Contact & Support Information

If you experience technical issues with the registration platform, please contact Arbiter Customer Support directly:

- Phone: 800-311-4060

- Email: registration@arbitersports.com

For school-specific athletic questions or assistance, please contact the Mercer Area High School Athletic Director:

- Phone: 724-974-1554

- Email: dheckman@mercerc.k12.pa.us

Thank you for your cooperation and support of Mercer Athletics. We look forward to a successful and thrilling winter season! Go Mustangs!
