Questions and Answers:

Q1: Please confirm if prevailing wages will be required per HB2688 for steel fabrication shop workers, and for structural steel coating subcontracted work?

A1: Prevailing wages are required per HB2688:

- Oregon House Bill 2688 expands state prevailing wage requirements to off-site custom, pre-constructed, or "bespoke" manufacturing and fabrication work done specifically for public works projects. The law became operative on July 1, 2026, and applies to public contracts entered into on or after that date.
