WELCOME!

On behalf of Miles Park administration, faculty and staff we would like to welcome you and your student(ren) to our wonderful school! Over the years, educational research has shown that parental support for a student makes a tremendous difference to how successful he/she will be in school and life. This handbook is intended to provide you with important information that is needed during the course of the school year. If there is anything that you need additional information on, please do not hesitate to contact a building administrator. We welcome your involvement in your student's educational process.

REGISTRATION PROCEDURES

Currently, all regular education students may register at any CMSD school of their choice. The building secretary will be responsible for assisting any parents with either new enrollment or the relocation enrollment of a student. At the time of enrollment, it will expedite the process if you have some or all of the following items in your possession:

- Rent/mortgage deed
- Utility bill (water, electric, gas not cell phone)
- Immunization record (for each student enrolled)

If you have a student with special needs (Special Education), you must report to 1111 E. Superior Ave., Office of Special Education, to enroll your student.

HOURS OF OPERATION

School Hours 8:35 am-3:05 pm

Office Hours: 7:30 am-3:30 pm

ATTENDANCE

- Students between the ages of 6-18 shall attend school every day throughout the school year
- Parent/Guardian(s) should encourage their student to attend school on a regular basis, provide the school with a written explanation in the event there is a student absence, meet with student's teachers to receive and submit all missed work
- Excused Absences are defined as: personal illness, illness in the family, quarantine of the home, death of a relative, observance of religious holiday, medical/dental appointment, college visit, CEO's judgment, emergency circumstances (all other absences are considered UNEXCUSED)
- Teachers may provide work for student who have "UNEXCUSED" absences; parents are encouraged to speak with the teacher(s) directly for this request. Students with severe health impairments may
- qualify for home instruction (contact SPED Dept.)
- Making up class work, homework, quizzes/tests when a student is absent is essential!

Metro Health School Program

We are pleased to announce the weekly visit from the mobile Metro Health clinic at Miles Park. This service will begin in the fall and continue throughout the rest of the

school year. The Metro Health van will be stationed in the Miles Park parking lot.

Students in grades kindergarten through sixth grade must live 1 mile or more from their home school to receive some form of transportation service. Students in grades 7-12 must live 1 mile or more from their home school to receive RTA transportation using cards that CMSD provides at no cost to families. CMSD policies exceed state minimum transportation requirements. Ohio requires transportation for students in kindergarten through eighth grade who reside more than 2 miles from school. Contact Transportation at 216-838-4BUS if you have any questions

-Student should arrive at 8:10 a.m.
- All Cellphones are collected and placed in lock box, and can be collected at dismissal. You have to bring a parent note or parent has to call the office if you temporarily changed your dismissal.

- Clear bookbags are checked
- 4th-8th OPTING OUT of breakfast must report to the gym and sit in designated area.
- Others will eat breakfast then report to the gym. NO LOITERING!
- K-3rd Report to Cafeteria and sit in designated area unless eating breakfast.
- Students who enter cafeteria to eat breakfast must go straight to breakfast line and sit in eating area.
- NO FOOD PERMITTED OUT THE CAFETERIA.

****At no time will a student be permitted to walk through the building prior to the start of the school day or go to the store prior entering the building.**

Student who arrive after 8:45 am are considered tardy and must sign in to the office to receive a pass to class!

*Excessive tardies will warrant a phone call home with a written warning and/or a home visit from the Say YES!

Coordinator/Parent Liason.*

-once a student arrives on school property, that student must remain on school grounds, otherwise the student will be considered TRUANT from school and could face serious consequences from the 4th district Cleveland Police Department.

Truancy

Ohio law provides that students are considered a “habitual truant” if they have been absent

without a legitimate excuse for thirty (30) or more consecutive hours of instruction, forty two

(42) or more hours of instruction within a school month, or for more than seventy two (72)

hours of instruction within a school year.

Students who have been designated a “habitual truant” will be referred to the District’s

Absence Intervention Team to receive appropriate supports consistent with Ohio law and the

District’s Student Attendance policy, Board Policy JE. Such supports may include, but are not

limited to, parental notification, a truancy intervention plan, counseling, referrals to parental

programs, notification to the registrar of motor vehicles, and/or referral to the juvenile court.

The District will notify the Ohio Department of Education of habitual truant designations, related parental notifications, related court adjudications, and absence intervention plans as required by Board Policy and Ohio Law.

DISMISSAL PROCEDURE

****Pre-K (Rm. #115) and Kindergarten (#116/#117) all dismiss from their rooms with a sign-out log!****

- Pre-Kindergarten and Kindergarten:

Dismiss with sign-out log.

- Yellow Bus Riders: 3:05 PM from MP Avenue (south doors).

- Car Riders/Day Care Van: 2:55 PM from Harvard Rd. Exit.

- Walkers/RTA Riders: 3:00 PM from Miles Park main entrance.

*Parents, we ask that you make every effort to schedule doctor's appointments after school hours, every minute of instruction that a student misses will have a direct impact on his/her educational plan!

PARENT VISITATION

As our focus is on the academic success of each student at Miles Park, we ask that parents schedule times to meet with their student's teacher(s). To avoid any

interruption of the instructional day, please leave any forgotten items with the name of the student and his/her homeroom number and the items will be delivered to your student at an appropriate time. We encourage all parents to visit their students' teachers as much as possible; however, in order for the conference to be effective the teacher should be given 24-hrs. notice to prepare and serve your needs on an individual basis. At no time during the instructional period will parents be allowed to speak with a teacher.

EARLY RELEASE OF STUDENT

Although we understand that there may be emergencies from time to time, every effort will be made to maintain an instructional atmosphere in the building until dismissal time. All students will be in a core class (ex. ELA, Math, Social Studies, Science) at the end of the day and it is essential that they receive the full instructional period. Parents, if you must have your student released early the following procedures should be done:

- ❖ Provide a written note to the teacher or call the main office.
- ❖ Enter the main entrance and wait in the vestibule.
- ❖ Inform the Main Office staff of the reason for your visit.
- ❖ Main Office will send for the student.
- ❖ **Sign your student out on the "Early Dismissal" log.**

COMMUNICATION PROTOCOL

At Miles Park there are multiple ways to communicate with your student(ren)'s teacher.

-phone calls/texts/emails/ Schoology/ Class Dojo

****The Official scheduled times for parent/teacher communication are as follows:**

Open House, Parent/Teacher Conferences, and Curriculum Nights

EMERGENCY SCHOOL CLOSING

CMSD has a phone system that will call each family's home in the event of inclement weather or emergency situations due to technical problems at the school. Along with the call, on all major news stations there will be information regarding any school closures as well as on the district website.

ACADEMIC ENVIRONMENT

One of the most important things that we all must remember as partners in your student's education is that the building environment should be conducive for learning. In other words, there should be minimal disruptions during the school day that distract students from focusing on their lessons. Parents, if your student has informed you of a reason that he/she feels that they cannot learn or concentrate in school, please contact a building administrator right away so that we can address the situation immediately. It is our belief at Miles Park that every student can and will learn free from any distractions. Procedure for Academic Concern: Verbal/written letter to school requesting academic support for your scholar. School will respond within 30 days.

Student ASSESSMENT (subject to change)

K, 1ST, 2ND, 3rd, 4th:

- Kindergarten Readiness Assessment (KRA)- Ohio's Kindergarten Readiness Assessment (KRA) is a tool used by teachers to measure the school readiness of student entering kindergarten.
- iReady- Reading and Math assessments

3rd-8th=

- iReady Reading and Math Assessments
- Ohio State Test (OST)
- Curriculum Assessments

STUDENT PROMOTION

The promotion of each student is determined individually. The decision to promote a student or to retain a student in a grade may be made on the basis of a student's reading grade, mental ability, age, physical maturity, emotional and social development, social issues, home conditions, and grade average. Additional information on student promotion and retention, including specific information applicable to promotion to the fourth grade based on performance on the third-grade state English language arts assessment, may be found in the District's Board Policy, under the Promotion and Retention of Students section.

CELLPHONE/ELECTRONIC DEVICE POLICY

To ensure a conducive learning environment, we encourage students to leave their devices at home. If a student does bring one, it will be collected at the beginning of the day and returned at the end. For any emergencies or necessary communications, please contact the school office, and our administrators or staff will assist you. If a student is found with a device during school hours, we will follow the progressive disciplinary actions outlined in the Student Code of Conduct. Cleveland Metropolitan School District has implemented a policy prohibiting cell

phones and other electronic devices in all schools. Governor Mike DeWine signed House Bill 250 on May 15, 2024. This legislation mandates that public schools limit cell phone use during school hours. The law states, "No student shall possess or use a cell phone or other electronic communication device during school hours within the school premises."

Research consistently shows that these devices can significantly detract from a student's academic performance and increase disciplinary issues. By minimizing these distractions, students are more likely to engage fully in their lessons and improve their social interactions with peers.

Any student who chooses to bring a cellular phone or other electronic device to school shall do so at their and their family's own risk. The District and its employees will assume no responsibility or liability for loss, theft, damage or vandalism to a cellular phone or other electronic device brought onto school transportation or property, even during times the phone or device are subject to the collection or storage process of the District. To this end, families are not required to send any personal cell phone or electronic device to school with their student and are encouraged to carefully evaluate all associated risks and benefits when deciding whether to send a cell phone or electronic device to school with a student. We ask that you partner with us by reviewing this policy with your student and discussing the importance of maintaining a focused and secure learning environment. Your support is crucial in helping us provide the best educational experience for all students at Miles Park. Thank you for your cooperation and understanding.

IT IS AGAINST THE STUDENT CODE OF CONDUCT FOR ANY STUDENT TO VIDEO RECORD ANY INAPPROPRIATE

BEHAVIOR/ACTIVITY ON SCHOOL GROUNDS, TRANSPORTING TO AND FROM SCHOOL.

HOMEWORK POLICY

Miles Park students will have homework Mon.-Thurs. every week with the exception of long term projects that may require work to be completed over the weekend or holiday breaks. These are some suggested ways to assist your student with his/her homework:

- Establish homework expectations with your student
- Provide a quiet place for your student to complete their homework (no TV, cellphone or games)
- Show an interest in your student's homework
- Give your student a short break from his/her work
- Encourage him/her to ask questions the next day if they run into difficulty completing assignments
- Online software program through Clever: 30-60 minutes per week (iReady)

Suggested Level of Parent Involvement with Homework

K-3rd graders= 100%

4th and 5th graders= 80%

6th-8th graders= 70%

Grading Policy

Parent can access student's grades through CMSD Electronic Gradebook on CMSD's website- [Parent Home / Parents Homepage](#)
Every 3 weeks parents can check their student's grades.

SCHOOL SUPPLIES

ALL STUDENTS MUST HAVE A CLEAR BOOKBAG. It is recommended that each student re-stock their school supplies at the end of each marking period/report card quarter.

FOOD

Students can bring lunch as another option other than the free lunch provided. However, students are reframed from bringing chips and snacks as their lunch. Once students are in route and/or enter the school grounds, they are prohibited from going to the store. Snacks are subject to be confiscated upon arrival. Miles Park encourages healthy eating. We welcome students bringing fruit, vegetables, and a source of protein. There are alarming reports about spicy, hot flavored snacks. So, we will not encourage or allow potentially harmful snacks such as Takis, Hot Cheetos, or anything of its sort. According to research, **Takis, along with other spicy snacks like Hot Cheetos or Spicy Nacho Doritos**, can irritate the lining of your stomach if you consume large amounts of them. This can sometimes contribute to gastritis, a condition characterized by stomach pain, nausea, and vomiting. (<https://www.google.com/search?q=takis+and+hot+chips+bad+for+you...>)

Therefore, any spicy, hot foods/snacks will be confiscated.

EMERGENCY CARD INFORMATION

Every quarter parents are going to be required to submit CURRENT information for emergency purposes. Our goal at Miles Park is to ensure the safe coming and goings of each one of our students on a daily basis. In order to do this we are asking for your cooperation in listing precise, CURRENT information on the emergency

forms. If there is a custody issue, the office MUST be provided with the legal documentation in order to prohibit certain people from picking up a student. If there is any concern, building administrators will make every effort to ensure that the person wanting to pick-up a student has the authorization of you the parent. We would prefer for you to PUT IT IN WRITING; however, as situations occur, we will not release the student until a building administrator has spoken directly with the parent/guardian of record.

DRESS CODE POLICY

The responsibility for the dress and appearance of a student rests primarily with the student and their parents or guardians. In the interests of maintaining a safe and healthy learning environment, the district believes in the following basic principles:

- All students are encouraged to dress in a manner that is appropriate, comfortable, and conducive to an active academic school day. **NO HOODIES are to be worn throughout the school day.**
- Students should be able to wear clothing without fear of or actual unnecessary discipline or body shaming.
- The student dress code should serve to support all students to develop a body-positive self-image.
- The standard dress and appearance are gender neutral

Examples of inappropriate clothing include:

- Clothing where the buttocks or torso is exposed
- Clothing that is see-through (clothing must be opaque)

- Clothing or accessories that show profanity, obscene words or pictures, sexually suggestive statements, violence, or incitement to violence
- Clothing representing gang-related activities
- Clothing where the entire thigh is exposed
- Bathing suits or cut-offs
- Wearing and carrying of tobacco promotional items, or items promoting controlled substances (drugs) and/or alcohol
- Clothing where undergarments are exposed
- Clothing that has text or visual images that is libelous, bullying, constitutes harassment or discrimination
- Backless or open toe footwear (footwear must be worn at school and all functions)

Consequences of Dress and Appearance Code Violations

Dress and appearance code violations will have consequences that are applied consistently and equitably. Opportunities to remediate violations will be attempted by parent communication, offer of exchange of clothing, referral to Say Yes Coordinator or/and administration. Any discipline that shall arise out of dress code violations shall have minimal loss of instructional time and follow the Student Code of Conduct.

SAFETY DRILLS

There will be state required fire, tornado and lock-down drills performed throughout the school year at Miles Park. Miles Park School has a safety plan in place that involves constant teacher supervision of student. The school will shelter to a safe location and has emergency services

alerted. We request that in an emergency parents do not come to school to pick your student up until asked to do so by emergency personnel. In these cases as every day, the student will only be released to the authorized person on the card. We ask for all parents to cooperate fully in an emergency knowing that your student is safe and that every measure to ensure that they return home to you is the district and Miles Park goal.

COMMUNICABLE DISEASES/MEDICATION

It is essential that current, emergency information remains on file for each student. Although faculty and staff have a responsibility to report any injury of a student, building administrators must have contact information to notify parents of any serious injury or medical emergency. Parents will be asked to pick their student up from school if he/she has the following health concerns:

-Lice, Bedbugs

-Pink Eye

-Scabies

-Strep throat

-Flu

-Ringworms, pinworms

-Chicken Pox, Impetigo

MEDICATIONS

Students are NOT permitted to carry or administer medication to themselves during the school day. This includes asthma inhalers, EPI-pens and insulin (liquid or tablet form). If a student must take a prescription medication, it MUST BE given in the ORIGINAL PACKAGE, labeled with the name of the student, medication name and exact dosage and hand deliver this to the secretary in the main office. AT NO TIME WILL SCHOOL PERSONNEL ADMINISTER

NON-PRESCRIPTION MEDICATION TO A STUDENT.

STUDENT CODE OF CONDUCT

Each student will be provided with a book that reviews his/her rights as a student in the Cleveland Metropolitan School District. Each student will be required to sign a form indicating that they have read and received such a book. This process will take place quarterly and be reviewed by a building administrator.

When a student is having trouble adjusting to the school program the school will attempt to help the student improve his/her behavior by:

- identifying the problem
- working with the parent of the student; conducting peer mediation meetings
- using available school/community resources to resolve the problem
- instituting appropriate disciplinary actions

CYBER-BULLYING

POLICY

Cyber bullying of a student and or school personnel at any time and at any location by student is prohibited. Cyber bullying is defined as the use of information and communication technologies such as email, cell phone, text messages, instant messaging, defamatory websites and defamatory online personal polling web sites, to support deliberate, repeated, and

hostile behavior by an individual or group, that is intended to harm others. Examples are as follows:

- Posting rumors/racial slurs, making threats and/or discussing threats about student or school personnel on the web
- Sending an email or instant message that is intimidating or threatening or so numerous as to create an excessive cell phone bill
- Using a camera to take and send embarrassing photos
- Posting misleading or fake photos on websites

If cyber bullying, as determined by an administrator, has occurred during CMSD school hours all District Safety and Security are alerted and the disciplinary action that may occur follows a Level III in the CMSD Student Code of Conduct book.

PHOTOGRAPHY/VIDEOTAPING

CMSD authorizes the use of video cameras on school property and transportation vehicles to ensure the health, wealth and safety of all staff, students, and visitors to the CMSD schools or property. Video recordings may become a part of a student's educational record. The District shall comply with all state and federal laws related to record maintenance and retention of such equipment in the use of any legal investigation.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The family educational rights and privacy act affords parents (of student under 18) and student over 18 years of age certain rights with respect to the student's

education records, which are paraphrased below:

- ✓ Right to review and inspect student's educational records within 45 days of the day the district receives a request for access.
- ✓ Right to request an amendment of the student's educational record that the parent or eligible student believes is inaccurate or misleading.
- ✓ Right to consent to disclosure of personally identifiable information contained in the student's education records, except to the extent the FERPA authorizes disclosure without consent.
- ✓ Parents or eligible students have the right to file a complaint with the U.S. Department of Education concerning any alleged failure by the district to comply with the requirements of FERPA.

LOST AND FOUND ARTICLES

If a student has lost any article or clothing or school supply he/she should go look in the lost and found box located on the stage in the cafeteria. If the article was believed to have been taken without permission, the student should seek out a building administrator and be prepared to provide details of the event. The exception to this policy is for electronic devices. CMSD and its employees will not be liable for loss, stolen or damaged cell phones/electronic devices which are confiscated. Parents of younger student please have your student inform their teacher of the missing item and the teacher will inform building administration. At the end of the quarter, the lost and found box is emptied out and donations made to local clothing banks.

FIELD TRIPS

Miles Park faculty and staff are encouraged to take students on field trips that provide educational enrichment in a diverse setting. Every field trip that a student is invited to participate in he/she should be provided with a written, standard field trip form for a parent/guardian to complete. If the student does not return the form, the faculty member will make arrangements for your student to remain in the Planning Center. This is done for the safety of all parties as a student should not be out of the building without the express permission of his/her parent/guardian.

CLASSROOM PARTIES/CELEBRATIONS

Miles Park administration encourages various types of celebrations, under close supervision. However, we ask parents not to send birthday or other party invitations to be distributed in the class unless the entire room is included. In some classrooms, teachers will make arrangements for the parent/guardian to bring in treats for the class. We ask that there is enough for each student in the class to receive a treat, otherwise please refrain from bringing in birthday treats. Cupcakes are given during the lunch periods. All treats are dropped off at the main office until the lunch period. Additionally, many student have food allergies that can be potentially deadly, due to this fact we ask that all treats be "nut" free and "chocolate" free. Class Parties: Halloween, Christmas, Valentine's Day, Easter

EXTRA-CURRICULAR

ACTIVITIES

In order for students in grades 6th-8th to participate in extra-curricular activities, they are required to maintain a 2.0 grade point average based off of the most recent student report card that was issued. Students must display good character during school time. Any student that is NOT PRESENT in school the same day as an athletic event will NOT BE PERMITTED to participate in the sporting game that day. Students must attend school at least ½ of the school day to participate that same day event.

Sports/activities offered: cheer, basketball, track, and chess.

ANIMALS ON PROPERTY

Miles Park School faculty and staff enjoy sharing their pets with the student. However, if there are student that have allergies to certain animals, the animal will not be allowed in the building. Pets can pose a potential safety and health hazard as well as they might cause disruptions in the learning environment which we want to avoid. Select classrooms have animal visits periodically; however, when this occurs each student will be given a permission slip to indicate whether the student can be around the animal. If the student cannot remain in the classroom, he/she will be sent to an alternate class until the pet visitation has concluded.

MENTAL HEALTH SERVICES

Currently, Miles Park partners with Heart to Heart to provide mental health services

to students in need. If you feel your student may benefit from this service, please contact the office and schedule a time or arrangements to pick-up a form to submit for an initial consultation. If your student is currently receiving mental health services elsewhere, he/she will not be eligible to receive them at the school due to the insurance policies of Heart to Heart.

INTIMIDATION/BULLYING

In this day and age of school violence, Miles Park building administrators have taken a strong, assertive stance against bullying! This means that if a student is suspected of bullying others, he/she will have to meet with administration, parents and families to determine the root cause. Every incidence of bullying is taken seriously and should not be ignored. If your student indicates to you that he/she has been threatened, intimidated or harassed more than once by one or more individuals, a full-scale security investigation will be done. We believe that every student at Miles Park School deserves to receive a quality education free from fear of personal safety. If a student is found guilty of bullying, he/she will be subjected to serious disciplinary action including, but not limited to suspension, expulsion and possible legal action. In the state of Ohio, bullying is a CRIME! Parents, please inform administration as soon as you hear of anything that may resemble bullying behavior. Thank you!

MOVING OUT OF DISTRICT

If your family is moving, please notify the school one week prior to the student's departure. This will ensure that all materials have returned to faculty members and the appropriate records

have been prepared to forward to the next school of record.

VOLUNTEERS FOR

CLASSROOM

Miles Park has been and will continue to be a school that is fully engaged in the volunteer concept. Parents are welcome to assist on field trips as chaperones; however, they must have the EXPRESS PERMISSION of the BUILDING PRINCIPAL to participate in the trip/activity. Parents, we ask that if you would like to attend a field trip with your student you share your wishes with the grade level teacher first and they will in turn inform the building principal. The **BUILDING PRINCIPAL** makes the **FINAL** determination as to whether or not a parent is permitted to participate in field trips/school-wide activities at Miles Park. If you are interested in volunteering, we welcome you to speak with a member of the Student Parent Organization at the school. Per CMSD, all volunteers/field trip chaperones must clear a BCI fingerprint screening prior to be allowed to work with the student. Must follow the CMSD volunteer program. Please see Judith Lozada.

BUILDING BRIGHTER FUTURES

Building Brighter Futures is CMSD's strategic planning initiative to improve student experiences and ensure financial sustainability. The plan has been implemented, this included school consolidations and enhancements to better align resources with student needs. Community engagement was part of this vital process.

BREAKFAST AND LUNCH MENUS

Miles Park students are provided with nutritious breakfast and lunch options daily. Menus are available online at

<https://www.schoolnutritionandfitness.com/index.php?sid=1749835346016&page=menus&sm=8&sy=2025>.

Students may also bring lunch from home, but unhealthy snacks such as Takis and Hot Cheetos are prohibited.

JOINING THE STUDENT PARENT ORGANIZATION (SPO)

Parents interested in joining the SPO can contact the Family and Community Engagement Office or visit

<https://www.clevelandmetroschools.org/Page/2339>. Participation includes attending meetings, volunteering, and supporting school initiatives.

SAY YES CLEVELAND PROGRAM

Say Yes Cleveland provides scholarships to eligible CMSD graduates for college or accredited training programs. It also offers mentoring, mental health services, and family support. Learn more at

<https://sayyescleveland.org> or contact your school's Family Support Specialist.

EARLY DISMISSAL PROCEDURES

For early dismissal before 2:30 PM, parents must call the main office in advance. Students will only be released to authorized individuals listed on the emergency contact form.

PBIS AND PROGRESSIVE DISCIPLINE

Miles Park follows the Positive Behavioral Interventions and Supports (PBIS) framework to promote respectful and proactive behavior.

Progressive discipline is applied consistently, focusing on teaching and restorative practices.

STUDENT MEDIATION

Peer mediation is available to help resolve student conflicts constructively. Students may request mediation through a teacher or administrator.

SEL COORDINATOR AND SECOND STEP PROGRAM

Miles Park implements the Second Step program for social-emotional learning (SEL) across grades PreK-8. The SEL Coordinator oversees the curriculum, which includes lessons on empathy, emotion management, and problem-solving.
