

LIVERMORE VALLEY JOINT UNIFIED SCHOOL DISTRICT

Chromebook Computer Loan Agreement

Please Reference the [Chromebook Policy, Procedures, and Information Handbook](#)

I understand and have discussed with my child that:

1. We shall exercise reasonable care in the use of the item and preserve it in a careful and proper manner.
2. **No maintenance service shall be provided or performed while the equipment is outside the school building.** The computer and its settings are not to be changed or altered. We shall be responsible for damage determined by the school to have been caused by abnormal wear and tear of the equipment caused by us through overt action and/or negligence. We understand that we will be charged for the repair and restoration of the equipment at the prevailing rates for such damage not to exceed \$498. or the current cost of a new Chromebook.
3. We agree that the loaned equipment will remain with us and will not be loaned, assigned, transferred, sold or otherwise disposed of during the period of this agreement.
4. **Adding/installing any software or applications on the computer is prohibited.**
5. Title to the equipment shall remain with LVJUSD and nothing herein shall be construed as vesting in us any right of property. We understand that we are using the equipment under shared ownership for the length of the loan.
6. LVJUSD reserves the right to request that the Chromebook be returned to the school.

NOTE: The Internet can be accessed where wireless systems are available. The District provides content filtering both on and off campus; however, parents are encouraged to provide a safe environment for students to use their Chromebooks at home for school assignments. LVJUSD cannot be held liable for Internet usage outside the school buildings. **The LVJUSD EIS Internet access policy applies.**
