Dear Totem Falls Families,

For 35 years, Totem Falls has been a place where students learn, grow, make friends, and create lifelong memories. This year, we're celebrating our 35th anniversary by transforming Totem Falls into **The Happiest School on Earth** for our annual Walkathon fundraiser!

On **October 15th**, students will walk, run, and play their way through a Disneyland-inspired course filled with themed obstacles, music, characters, and plenty of surprises—all while working toward our \$45,000 fundraising goal. **We are suggesting each student raise \$150.**

Your support helps the PTO fund experiences beyond what district funding provides, including:

- Field trips & assemblies
- STEM, arts, music & student enrichment
- Library programs & the all-school read aloud
- Science Fair, Art Walk & Multicultural Night
- Classroom technology & teacher grants
- Family events, movie nights & the school dance

Every donation helps make these experiences possible—and students will unlock individual, classroom, and school-wide prizes as we make our way toward our goal.

A majority of Walkathon donations come from friends and family across the country—and even around the world! Simply share your child's fundraising page so grandparents, relatives and loved ones can cheer them on and support Totem Falls from wherever they are. **You can also double your impact with employer matching.** Our 501c3 Tax ID Number is: 91-1573054.

So lace up those walking shoes and get ready to celebrate 35 years of Totem Falls at The Happiest School on Earth Walkathon!
