

Superintendent Search Community Survey

Thank you for taking the time to complete this survey and provide input to the Board of Education regarding the selection of the district's next superintendent.

The school board has partnered with the Missouri School Boards' Association (MSBA) to assist with the superintendent search process. The search is now underway and will conclude with the hiring of a leader who will guide the district into the future. An important part of the search process is gathering feedback from stakeholders about the qualities, experiences, and priorities they believe are most important in the next superintendent. Once the survey closes, the search team will compile the results into a summary report that will be shared with the Board to help inform its decision-making process.

The survey will remain open until October 7. All responses are anonymous. Thank you again for sharing your perspective and helping shape the future leadership of the Maplewood Richmond Heights School District.
