

Frequently Asked Questions for Parents

Q: Is transportation provided?

A: Yes, arterial bus transportation is provided for students living outside a 2-mile radius of the school.

Q: Will elementary and middle school students ride the bus together?

A: Yes, all K-8 students will ride together on the bus. Elementary students will be seated in the front and middle school students in the back, with separation in the middle.

Q: Will elementary and middle school students interact during the school day?

A: The renovated campus will include a K-1 building, 2-5 wing, and a separate 6th grade wing. The 7th and 8th grade wings will be located on the opposite side of the campus. The cafeteria will be divided into elementary and middle school sections.

Q: Where will the school be located?

A: The K-8 school will be located on the site of the current Bay Point Middle School campus.

Q: If my child is currently enrolled at Bay Point Elementary or Middle, do I need to re-apply?

A: No, all current Bay Point students will continue with the school and do not need to re-apply.

Q: Where/when will school tours take place?

A: School tours will take place at Bay Point Middle, Tuesdays at 8:45am from October-December. After the overview, elementary families will have the option to see classrooms in action at Bay Point Elem.

Q: What if I am unable to attend a tour at the pre-scheduled time?

A: School tours can be scheduled by appointment by emailing Jennifer Giuffre at giuffrej@pcsb.org.

Q: What will the new school be named?

A: The school name will be selected and approved by the School Board on October 13.

Q: What will be the school times?

A: School times will be approved by the School Board in the Spring.

Q: What does Emerging Technologies mean?

A: Students will access and explore technologies through regular robotics and coding challenges and create digital presentations through Canva. Middle school students will take courses in engineering and technology that prepare them for the Center for Advanced Technologies at Lakewood High School.

Q: What will the partnership with Great Explorations entail?

A: Great Explorations will develop a Discovery Center on the current site of Bay Point Elementary. Students at the new K-8 will have access to field trip opportunities aligned with the STEM curriculum.

Q: When and how do I apply?

A: Apply during the District Application Window (Jan 5-15) using your Parent Focus Account.
