GENERAL INFORMATION

Location:	Doggett Family Stadium is conveniently located just off I-10 East, providing easy access from every direction. *(See printed travel directions.)*
Address:	5250 Bayou Willow Parkway, Beaumont, TX 77705
Telephone:	409-617-5014 (Office) | 409-284-0750 (Athletic Director)

Google Maps

Seating:	The stadium has a total capacity of 10,600. On the home side, the grandstand includes 720 chair-back seats and a VIP section with 125 seats located near the 50-yard line.
ADA/Accessibility:	Doggett Family Stadium is fully accessible for guests with disabilities. Wheelchair seating and viewing areas are available on both sides of the stadium. We also provide accessible parking, restrooms, water fountains, and concessions to ensure a comfortable experience for all guests.
Playing Field:	The stadium field is made of Matrix synthetic turf with rubber infill that looks and plays like natural grass. Beneath the turf, a gravel base with an Eco drain in a herringbone pattern helps manage water. On top of the base, a 19mm E-layer acts as a shock pad to improve player safety. The field drains quickly, providing a reliable surface even in bad weather. Players may wear grass, rubber-molded, or screw-in cleats.
Scoreboard:	The field is equipped with a scoreboard that includes a high-resolution video screen for instant replays and graphics. Replay cameras are positioned at the press box level and on the field. Television monitors are also located on the concourse near both the home and visitor concession stands, allowing fans to keep up with the game at all times.
Fieldhouse	The field house and natatorium are located together in one building on the south side of the stadium. This facility includes changing rooms, lockers, showers, restrooms, concessions, trainers' rooms, a pool, and seating for both athletes and spectators. The field house also provides a dressing and conference area for officials, as well as the Beaumont ISD Athletic Administrative Offices, a security office, an athletic receiving area, and a small conference room.
Press box:	The 6,000 sq. ft. Press Box has two levels and is accessible by elevator. Proper credentials are required for entry. The first level includes the press/scouting area with seating for 30, home and visitor coaching booths with seating for 10 each, and home and visitor media booths with seating for 5 each. Telephone and data lines are available throughout. Both levels feature a snack bar area with complimentary beverages. On the second level, the public address announcer and scoreboard booths each provide seating for 5. An open-air video deck on this level accommodates up to four cameras and support staff.
