Allow my district to share my Meal Benefits Application information with Medicaid?

Because health insurance is so important to child(ren)'s well-being, the law allows us to tell Medicaid and SCHIP that your children are eligible for free or reduced meals, UNLESS YOU TELL US NOT TO. Medicaid and SCHIP only use the information to identify children who may be eligible for their programs. Program officials may contact you to offer to enroll your children. Filling out the Meal Benefits Application does not automatically enroll your children in health insurance.

If you do not want your school district to share your information with Medicaid or SCHIP, please select 'No' below.
