STINGERS!

We are a community!

A group of people who share a space and treat each other with respect and care.

What are the Creekside Community's Expectations?

"Bee" Safe

"Bee"

Respectful

"Bee" Responsible

Do you know when the rules start?

...from the moment you leave your HOUSE!

You must follow SCHOOL rules...

…while you are walking to school,

...while you are getting dropped off,

...when you are at the bus stop...

...when you are on the bus,

…when you are on your way into the school building,

…when you are in the cafeteria,

...in the hallway,

...in the classroom,

...in the bathroom,

...at recess,

...on your walk home,

...on your bus ride home,

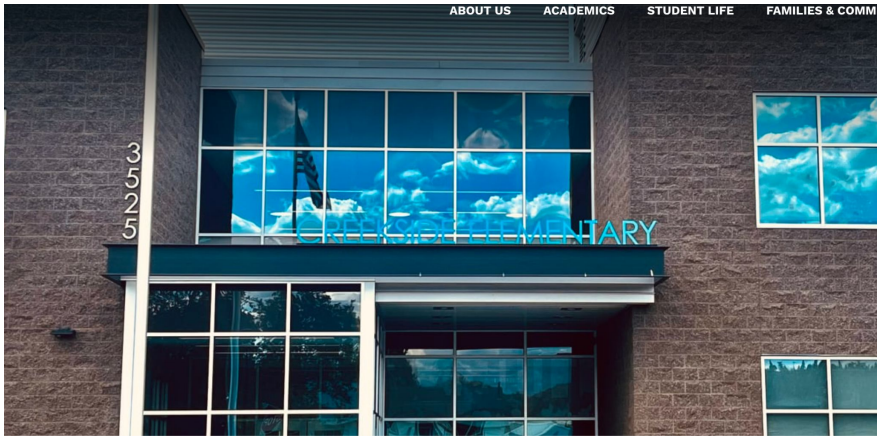

…when you get off the bus at your bus stop,

...until the moment you return to your HOUSE!

You must follow Creekside School Rules…

EVERYWHERE during a school day!

EVEN when you're AT HOME...using the internet to play video games, text your friends, or post on social media.

If you text or say mean, scary, or threatening things online about your classmates at school…

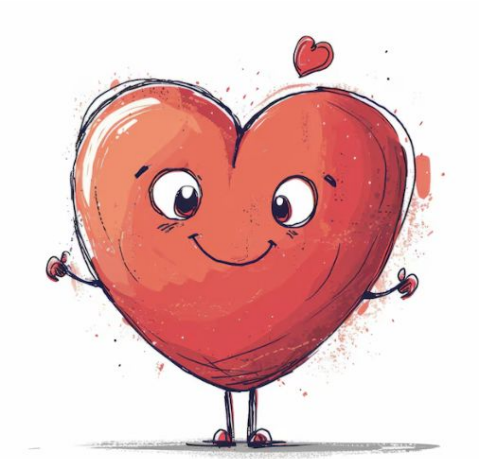

you CAN get in trouble at school!

Usually, students get their phones taken away when they use them to be mean to classmates.

Do you know WHY?

Because we only can learn if we feel...

SAFE!

That is why we have rules, or expectations.

Let’s review them together.

Listen for the rules that help us be safe, respectful, and responsible.

Bus Rules

Cafeteria Rules

OPEN
Chocolate
Fat Free Milk
Vitamins A & D
Smith Brothers

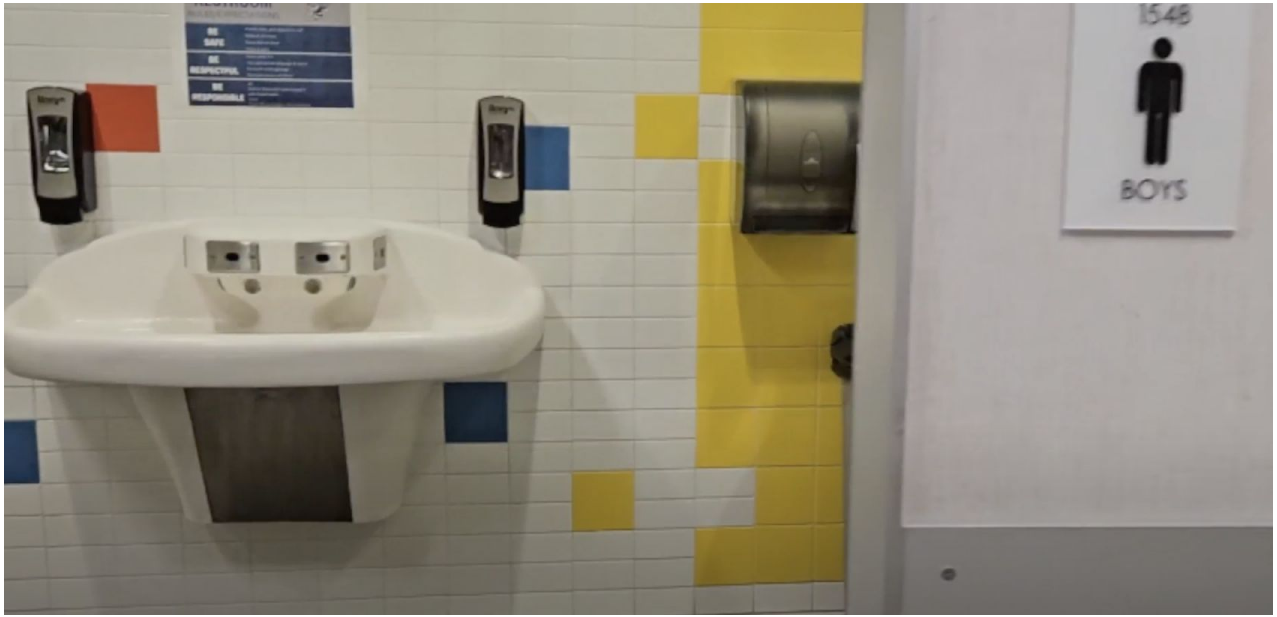

Recess Rules

Let’s meet our recess teachers!

Bathroom Rules

Your teachers will review classroom and hallway rules!

Again…what are Creekside's Expectations?

"Bee" Safe

"Bee"

Respectful

"Bee" Responsible

Our rules help us meet these expectations.

All rules are “safe” rules, “respectful” rules, and “responsible” rules.

CREEKSIDE STINGERS

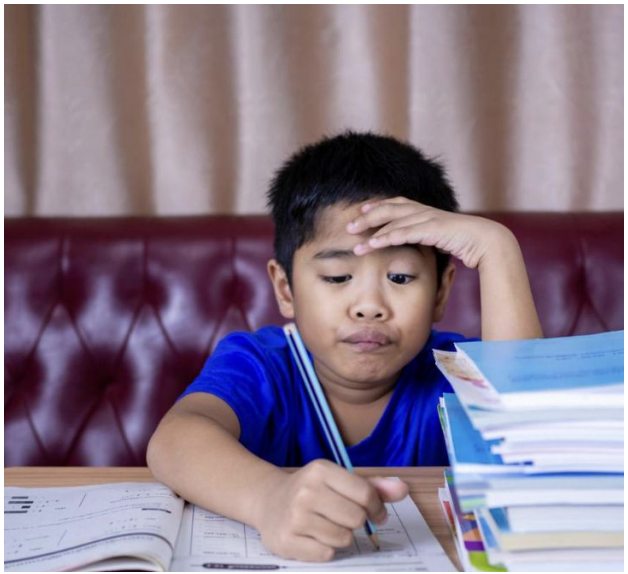

“Safe” rules keep our bodies from getting hurt.

CREEKSIDE STINGERS

“Respectful” rules keep our feelings and hearts from getting hurt.

CREEKSIDE STINGERS

“Responsible” rules make sure we do the things that we must do at school, like our school work, or cleaning up recess equipment.

Ok, teachers...are you smarter than a Stinger?

What happens when we break the rules?

The adult writes Mrs. Duchow a note.

You call your parents to tell them what rule you broke..

If you break a recess rule, you will have Guided Play.

If you KEEP breaking recess rules...

...or you break a BIG rule...

like, you try to hurt someone at recess...

or you won’t listen to a grown up…

…you will have Recess Reteach.

If you break a rule in your classroom,

If you break a rule in your classroom, in the cafeteria,

If you break a rule in your classroom, in the cafeteria, the hallway,

If you break a rule in your classroom, in the cafeteria, the hallway, or the bathroom....

…you may have to go to a different classroom,

…or you may have to go to the office,

...or you may have to have an adult wait outside the bathroom for you,

…or you may need to sit in the office at this desk for lunch or breakfast,

…or you may have to write a letter to apologize,

…or you may have After-School Character Connections.

Here are some examples of rules kids sometimes break.

When the whistle blows or the bell rings for recess, we line up.

Some kids choose not to line up.

If you choose not to line up once,

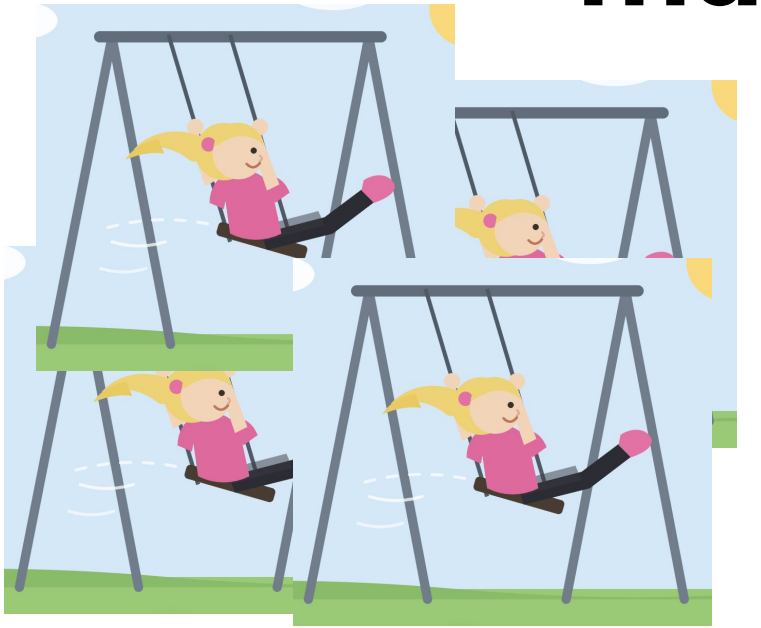

you will practice during your next recess while your friends play.

If you choose not to line up many times,

you will line up earlier than your classmates each recess, so you have lots of time to do it.

We take care of school property, like chairs and desks.

Some kids write on chairs and desks, or throw or ruin materials, or tear things off of the walls.

If you choose to ruin school property,you will work on chores around the school to replace it.

We treat each other with respect and care.

Some kids hurt other kids and adults, on purpose.

If you choose to hurt another person at school...

you will not be allowed to participate in fun things...

…you will have to stay after school to do Character Connections…

…or you may have to have a safety plan.

A safety plan is not fun.

What happens when we follow the rules?
