OVS Advisory Meeting Notes

September 1, 2026

Present: Maura DuVall, Ondrejka Yaconelli, Malia Rubens, Linda Ruder, Eric Hansen, Sierra, Deborah, Karen, Hilary

Student Update

- Students shared plans for Spirit Week and an October 1 movie night.

Program Updates

- Enrollment was reported at 219 students.
- The SRJC class has 21 students and is going well; some login issues are being addressed.
- Orientation feedback was generally positive. Families requested clearer communication about OVEF and supervised pickup.
- OVS is working with vendors to address early concerns with Thursday elective classes.
- The group discussed how OVS will address students whose math instructional needs are above or below grade level.

Advisory Business

- The group discussed TK–7 meeting time and location options.
- Eric Hansen will continue serving and will assist with recruiting additional members.
- OVS will continue the TK–7 and 8–12 advisory structure for the current year.

Follow-Up

- Finalize the TK–7 Advisory meeting time/location and notify families.
- Update the website with current Advisory information.
- Recruit additional parent and staff Advisory members.
- Bring charter renewal language to a future meeting for family input.
- Clarify supervised-pickup language.
- Finalize the process for addressing math grade-level mismatches.
- Follow up regarding OVEF electives after the next session.
