JOIN THE RABBLE!
rab-ble (răb'əl) n. 1. a disorderly mob; stirring the comforts of public opinion.
Our purpose is to create a riot in the world of wine, forcing people to think and act differently in the face of nature. We showcase our estate grown fruit from vineyards in Paso Robles and Santa Maria regions. Labels are historical artwork, rugging, unconventional, and unapologetic.

WINE COMPANY

Provocative and innovative brand founded on the premise that we cannot command nature, except by obeying her.

Labels:

- Labels are historical artwork, engaging, unconventional and unapologetic.
- Historical woodblock print renditions from the Nuremberg Chronicle disaster scenes (late 1400s, early 1500s).

History:

- *Nuremberg Chronicle* was a first encyclopedia of history and geography to have so many illustrations. It encompassed the history of the mankind from the Creation of the World till the year 1492.
- There were stories from mythology, views of cities during catastrophic events, often almost unknown to Europeans.

2016 RABBLE RED BLEND

LABEL STORY: *These are our single varietal wines; uncorrupted and pure.* The Rabble labels are renditions of historical wood block prints from the Nuremberg Chronicle (late 1400's), textured and tactile, depicting nature's wrath. Nature is ruthless when it goes ignored. This label illustrates the Apocalyptic Comet falling upon Florence with the Unicorn and Phoenix.

VINEYARD: *Mossfire Ranch*
Planted in 1996 on steep hillsides and a rolling valley at the confluence of sun, snow and sea. The vineyard weathers 40 ° diurnal shifts. The extremity of the climate creates fruit of uncommon concentration and uniform ripeness.

WINEMAKER'S TASTING NOTES:
Enticing notes of dark ripe berries, black cherry and plums fill the glass. Vibrant flavors of blackberries and boysenberries with hints of vanilla and cocoa powder all harmonize together for a luxurious mouthfeel. Tannins and natural acidity balance out nicely and leave a seamless finish.
