DEMOCHICKS BUILD GIRLS UP YOUTH PROGRAM

Build Girls Up is a nine-month group mentoring program (8 sessions) that introduces young women of color (grades 8–12) to the ACE fields—Architecture, Construction, and Engineering—all while they earn money for their college futures!

Through this program each student will have the opportunity to visit different businesses, tour active construction sites, meet women in the ACE field, and build a portfolio for their professional future. For more information visit demochicks.org/buildgirlsup

Applications are to be completed by an adult.
The acceptance process is as follows:

- **Application Open:** April 14th - Oct. 1st
- **Interviews:** Oct. 2nd - Oct. 15th
- **Acceptance Letters:** Oct. 16th - Oct. 31st

What is DEMOCHICKS?

DemoChicks is a non-profit organization that nurtures the interest and talents of young women of color in Architecture, Construction, and Engineering through hands-on STEM workshops and mentorship. Since 2019 we have served hundreds of youth through our exciting programs, businesses tours and collegescholarships.
