

Hello! My name is Alisha Wells. This is my twentieth year of teaching for the Coquille School District. I taught second grade for thirteen years and this will be my seventh year teaching fourth grade. I have a lot of pride in our school district. I am a Coquille High School graduate and currently have one son who is a junior here, and another who is in ninth grade.

I'm looking forward to getting to know your child and getting this year started! It is important that we all work together as a team in order to help your child succeed. If you ever have any questions, I can be reached by phone by calling the school at 541-396-2914. You can leave a message and I will return your call as soon as possible. Our class will also be using Class Dojo. You can access Class Dojo on a smartphone, or on a computer. I would really like to have all families connected to Class Dojo. It is the easiest way for me to get information out to everyone quickly.

If you are already in Class Dojo for Coquille Valley Elementary School, I will be able to transfer your information to my classroom. If you're having issues making this work, please let me know. For any transportation changes that you have during the day, or to excuse absences please contact the office. Our school day can get busy and I may not be able to check my Dojo regularly during the day. I am also not able to excuse absences in the attendance software.
