

Hello,
My name is Mrs. Nichols, and I am so excited to be part of this wonderful school community. I have been teaching for 12 years, with the past 9 years spent in 3rd grade. Teaching is truly my passion, and I feel so fortunate to spend my days helping students learn, grow, and discover their unique strengths.

In my classroom, I strive to create a welcoming and supportive environment where students feel encouraged to take risks, work hard, and celebrate their successes. Building strong relationships with both students and families is very important to me, and I believe that working together helps every child reach their full potential. When I'm not in the classroom, I enjoy reading, golfing, spending time with my family, and coaching basketball. I am looking forward to another fantastic year filled with growth, curiosity, and fun! Thank you for sharing your children with me. I know we are going to have a great year together.

Mrs. Nichols
