

Hello and welcome to the 2026-2027 school year! I am your music teacher, Ms. Rostykus. This is my 5th year at Coquille Valley Elementary and I'm thrilled to be your teacher in making music.

We will share, support, learn, take on challenges and grow as a musical family. And, if you elect to take choir or band, we will learn and refine more specific skills, including learning music and playing or singing scores as a whole group!

It brings me great joy to be your teacher and be a part of your education. Let's have fun together through music!
