KIS/PTO Marathon Pledge Form

On October 15th, from 9:00am-10:30 am, KIS will host a school-wide Fundraising Marathon. This is a sponsored run in which students will pre-arrange sponsorships in order to raise money for KIS Therapy Dog Program and Student Led Initiatives and Opportunities.

- 9:00 - All School Meets on the Field for Kick off/Introduction
- 9:10 - Preschool will run one lap
- 9:20-9:50 - Elementary, Middle School, and High School run for 30 minutes
- 9:50-10:30 - Break - Students go to lobby to turn in donations & say goodbye to parents
- 10:30 - Students return to class and normal schedule

**If there is a siren before the marathon starts, we will have the delay the start and we will begin as soon as the siren ends*
**If there is a siren during the run, we will pause the run, go to the shelter, and then once the siren is done, we will continue with whatever time is remaining*
***For example, if they ran 10 minutes and then there was a siren, we will run 20 minutes after the siren is done*

Note: The Fundraising Marathon will take place on the KIS campus. The preschool students will take one lap around our track. The elementary, middle, and high school students will run the full "loop" as many times as they would like in 30 minutes.

We hope that you can help by sponsoring a KIS student during the Fundraising Marathon. Please consider sponsoring a KIS student with either a monetary pledge for each lap they complete (example: 50 uah/lap) OR a flat donation (regardless of how many laps the individual completes).

Parents, grandparents, neighbors, friends, previous KIS families, aunts and uncles ... anyone can be a sponsor! The more sponsors the student has, the more money they raise. Good luck!

Sponsor's Name	Pledge Per Lap	(or) Flat Donation	Total
