†

A large bonfire is burning brightly at night. The fire is intense, with bright yellow and orange flames rising from a pile of logs. On top of the logs, there is a wooden structure that appears to be a small table or a platform. The background is dark, suggesting a night sky. The entire image is framed by a thick black border.

Whilst emphasizing that this walk is
a time for our community and
friends to come together,
we must stress that all participants
are responsible for their own
actions and personal safety.
