DRAGON Yearbook
Lake Orion High School
stephanie.orth@lok12.org (248)693-5420
495 E. Scripps Road, Lake Orion, Michigan 48360

Dear Parents, guardians, or loved ones of seniors:
The Dragon Yearbook would like to offer you the opportunity to say goodbye to your graduating senior.
Senior parent ads for the 2026-2027 yearbook are being sold until **Friday, December 18, 2026**.
We encourage early submissions, though, because space is limited.

PRICE - You have four options:
1) $90 for a 1 block ad with 1 photo (30 words or less)
2) $175 for a 2 block ad with 1-2 photos (55 words or less)
3) $325 for a 4 block ad with 3-4 photos (75 words or less)
4) $625 for a full-page ad (8 block) with 6-10 photos (200 words or less)

PROCEDURE
1. Choose ad size
2. Choose the correct number of photos to accompany your ad
3. Write your message based on the correct word limit for the ad size you chose
4. Fill out Senior Parent Ad Contract (remember to include the date you submitted the ad and payment method)
5. Make sure that you have checked off each step on the Senior Parent Ad Contract
6. Email or mail your Senior Parent Ad contract, the payment (or indication if paid online), the photos and the written message to Mrs. Orth to the following address:

LOHS Yearbook, Senior Parent Ads
Attention: Stephanie Orth, Adviser
495 E. Scripps Road
Lake Orion, MI 48360
Stephanie.Orth@lok12.org

IMPORTANT
- We prefer digital photos, please submit a jpg attached to an email that indicates the student's name, as well as the name of the person purchasing the ad. NOTE: If you submit photos that are low resolution - lower than 300 dpi, we will print them as you submit them. They may appear grainy. We can and will still use them. We will no longer notify parents of low resolution photos. It is up to you to make sure your photos are over 300 dpi if you want to avoid them looking grainy.
- Photos should be sent to Stephanie.Orth@lok12.org
- Please indicate which photo you'd like to be the dominant photo if you have a preference.
- If prompted by your computer or email to send the photos faster or smaller, do NOT send pictures smaller than the original size or of lower quality, choose to send the full size image.
- If print photos need to be returned, please include a self-addressed stamped envelope (big enough to fit the pictures) along with your prints. Please note, we're not responsible for lost pictures. Please don't send extremely valuable photos! Please write your student's name on the back of photos you'd like returned. (Please write with felt-tipped marker, NOT ball point pen or pencil. Pencils and pens leave marks.)
- Before sending your message, please double check that it is under the word limit for the corresponding ad size.

***Remember the deadline is Friday, December 18, 2026. Ads submitted after this deadline cannot be guaranteed a place in the yearbook.**

Written message fits ad size ☐

Payment - online ☐

Payment - check number _____

Student Name :

_____

Email : _____

Phone # : _____

Parent name(s): _____

_____

_____

To pay for your senior parent ad with a credit/debit card, go online through our publisher, Varsity Yearbooks, go to www.yearbookordercenter.com and use job number 3059 or search for Lake Orion High School. Please be sure to purchase a senior parent ad, NOT a business ad.

NOTE: If you submit photos that are low resolution - below 300 dpi - they may appear grainy when printed. We can still use them, just be aware they may appear grainy compared to photos over 300 dpi on the same page. We will no longer notify you of low resolution photos, we will use what you send us regardless of resolution. It is up to you to submit high resolution photos.

Please double check that you have sent us the photo(s), if you send print(s), please include a self-addressed, stamped envelope to return your photo(s), and the correct amount of words for your message. If not, we may not be able to place your ad.
