MISSION

Our Lady of Tepeyac High School is a Roman Catholic girls' secondary school deeply rooted in the Little Village neighborhood that provides a multicultural educational experience, developing each young woman to her full intellectual and spiritual potential in an environment that values learning, linked to faith, family and community.

TEPEYAC PLEDGE

We are Tepeyac Girls
We seek opportunity
We are college bound
We are united
We will be of service to each other and our world
We will strive for excellence
We believe in ourselves
We believe in each other
We believe in Our Lady of Tepeyac!

VALUES

Tepeyac embraces its core values selected by our students, faculty, alums, and board members. These values are an integral part of our school community, anchoring faculty, administration and students in living out the importance of Tepeyac's mission.

OPPORTUNITY · UNITY · SERVICE · EXCELLENCE

Your Impact In Action

*TEPEYAC GIRLS ARE: CURIOUS. COURAGEOUS.
COMPASSIONATE. DETERMINED. CREATIVE.
RESILIENT. JOYFUL. FAITH-FILLED. LEADERS. SISTERS.*

*WHEN YOU INVEST IN A
TEPEYAC GIRL, THE DIVIDENDS
ARE IMMEASURABLE.*

Each of these young women contributes to Tepeyac in her own way. Like all of our students, they are growing, learning, and gaining confidence. Along the way, they have needed tutoring, counseling, encouragement, and second chances. They have also discovered their strengths and found ways to lead and support others.

One excels academically. Another is a leader on the athletic field. One serves as Student Council President. Another tutors and supports her classmates. Another represents Tepeyac at community events. And one is our beloved school mascot, Tammy the Tepeyac Tiger!

They are four very different young women, each discovering who she is and who she is becoming. **Together, they represent Tepeyac at its core: young women finding their strengths, supporting one another, and growing into their futures.**

Because of the generosity of our donors, Tepeyac continues to grow and expand opportunities for our students, as we have for 99 years. Over the past year we have:

- Expanded academic pathways in Math, Science, Humanities, and Art
- Increased need-based scholarships for Tepeyac families
- More service opportunities and immersion experiences
- Expanded mental health support
- Offered food + transportation support for our families

PROUD TO SERVE

Leadership Letter

DEAR FRIENDS OF TEPEYAC,

For 99 years, Our Lady of Tepeyac High School has been a place where young women find their voices, pursue their dreams, and build the confidence and leadership skills to shape their futures.

This past year, our mission was put into action every single day.

In the heart of Little Village, our students and their families demonstrated incredible resilience. Through every challenge, Tepeyac remained a place of safety, stability, and opportunity. That was possible because of your partnership. You stepped up when we needed you most. You supported emergency scholarship assistance, food security, and transportation needs. Most importantly, you reminded our students and families that they were not alone—that an extended community stood beside them.

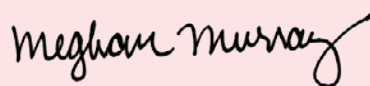

Your generosity continues to open the doors of Tepeyac to young women who might not otherwise have access to a Catholic, all-girls education. **Your investment in scholarships strengthens our academic programs and ensures that every student is known, challenged, encouraged to reach her full potential, and recognized as deeply loved in God's eyes.**

The results speak for themselves. One hundred percent of the Class of 2026 graduated and was accepted to college. Together, they earned more than \$12 million in merit- and need-based scholarships. But your impact cannot be measured by numbers alone. It is reflected in the confidence our young women build, the futures they pursue, and the lives they will change because of a Tepeyac education.

None of this happens without you. Thank you for believing in our students, our mission, and the strength of the Little Village community. As we prepare to celebrate our 100th year, we are grateful for your partnership in empowering the next generation of Tepeyac women.

When you invest in a Tepeyac girl, the dividends are immeasurable.

WITH GRATITUDE,

Meghan Murray
President

BOARD MEMBER SPOTLIGHT: JOHANNA TRACY

For the past six years, Johanna Tracy, owner and partner at Carden & Tracy, has been a dedicated advocate for the young women of Our Lady of Tepeyac High School.

As a member of our Advisory Board, Jo generously shares her time, talent, and leadership in countless ways. She serves on the ¡Creemos! Committee, helping secure sponsorships and support our silent auction. Jo's commitment extends far beyond our board meetings. She faithfully brings her daughters to Tepeyac's classroom clean-up days, modeling the importance of service and teaching them the value of giving back. She has also introduced Tepeyac to countless families, expanding awareness of our mission and helping our community continue to grow. Jo also helped organize our Law Day Panel, connecting students with legal professionals and inspiring them to explore careers in law.

Jo's commitment to our mission reflects what it means to be a Tepeyac leader. We are deeply grateful for her partnership and for the example she sets for our students, her family, and our entire donor community.

CELEBRATING RECENT GRADUATES

Three Tepeyac Grads Share Their College Plans

AT OUR LADY OF TEPEYAC, WE TAKE IMMENSE PRIDE IN THE DEDICATION, RESILIENCE, AND INTELLIGENCE OF OUR STUDENTS.

Every single one of our graduates from the Class of 2026 is stepping into the future with a diploma in hand and a supportive community celebrating their successes. To acknowledge this milestone, we are highlighting three exceptional young women who are taking their next major steps into higher education.

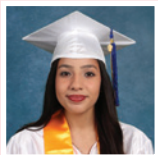

LILIANA CHAVEZ

Attending: Alverno College (Milwaukee, Wisconsin)

Intended Major: Art Therapy

“Alverno has such a similar vibe to Our Lady of Tepeyac, and that 'homey' feel really drew me to it. Because college is going to be a completely new and overwhelming experience, I wanted an environment that felt safe and familiar, which Alverno provides as an all-women's school. I chose Art Therapy as my major because it perfectly blends my interests in art and psychology. I love the idea of pursuing my creativity in a way that serves others. **As a first-generation college student, navigating the unknown parts of the application process was intimidating, but OLT's College Readiness program provided amazing support that students at other schools might not get. I am incredibly grateful.**”

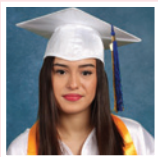

RASHEL SANCHEZ

Attending: Washington and Lee University (Lexington, Virginia)

Intended Major: Pre-Law

“Washington and Lee won me over with its Honor System, service focus, and emphasis on integrity and leadership. As an incoming first-year, I am currently undeclared but plan to pursue a pre-law track to build strong analytical and critical thinking skills. **Tepeyac gave me the confidence to enter a historically male-dominated field like law.** Through hands-on networking and leadership opportunities, Tepeyac showed me that I belong in these spaces and empowered me to make a meaningful impact.”

SOFIA MEZA

Attending: Arrupe College of Loyola University (Chicago, Illinois)

Intended Major: Pre-Nursing

“I attend Arrupe College, which is part of Loyola University Chicago. I am on the pre-nursing track, and I hope to eventually become either a physical therapist or an ultrasound technician. I chose Arrupe because the program aligns well with my career goals and the future I want for myself. **Our Lady of Tepeyac helped me throughout the college application process, and supported me in figuring out what would be the best path for me and my goals.**”

¡CREEMOS!

31st Annual Benefit for Scholarships

WE BELIEVE.

On April 24, 2026, our Tepeyac community came together to celebrate the mission that unites us: providing young women with the opportunity to thrive through a Catholic, all-girls education. This year's ¡Creemos! Award was presented to **Dr. Citlaly Gonzalez**, whose compassionate leadership, mentorship, and advocacy for students embody the spirit of Tepeyac and our unwavering belief in every young woman's potential. She was joined in sharing her reflection by **Rashel Sanchez** Class of 2026.

Because of the generosity of our sponsors, donors, and guests, ¡Creemos! continues to fund need-based scholarships that make a Tepeyac education possible for families across our community.

“MY SCHOLARSHIP AT TEPEYAC HAS PROVIDED MORE THAN FINANCIAL SUPPORT—IT’S GIVEN ME CONNECTION, OPPORTUNITY, AND THE CONFIDENCE OF KNOWING THIS COMMUNITY BELIEVES IN ME.” —RASHEL S. STUDENT SPEAKER

ALUMNA & FACULTY FEATURE

Julissa Acevedo & Audrey Greger

FINDING HER VOICE, EMPOWERING OTHERS *JULISSA ACEVEDO, ST. CASIMIR CLASS OF 1988*

Julissa Acevedo, St. Casimir Class of 1988, has built a career at the intersection of technology and service. After working in technology and information systems at Motorola, Bank of America, and the U.S. Census Bureau, Julissa joined the University of Chicago, where she is now a Senior Systems Analyst and Software Administrator supporting researchers through technology. She has been recognized for her contributions during the COVID-19 pandemic and for her expertise in training and mentoring technology professionals. But Julissa's greatest impact may be the way she uses her knowledge to help others succeed.

“ST. CASIMIR TAUGHT ME THAT SUCCESS ISN’T JUST ABOUT WHAT YOU ACCOMPLISH FOR YOURSELF—IT’S ABOUT HOW YOU SHARE WHAT YOU’VE LEARNED.”

As a first-generation immigrant growing up in Little Village, Julissa credits St. Casimir with helping her develop confidence, a thirst for knowledge, and a commitment to service. Today, she shares those gifts by teaching colleagues, mentoring young adults, and helping others find their own path in technology. There is a special irony in Julissa's journey: her classmates once voted her “Most Shy.” Her St. Casimir education helped her find her voice—and taught her that using that voice to empower others is one of the greatest measures of success.

FACULTY FEATURE: AUDREY GREGER, *MATH TEACHER AND ACE TEACHING FELLOW*

Audrey Greger is excited to return to Our Lady of Tepeyac this fall to continue serving as a math teacher. She first joined the Tepeyac community through the University of Notre Dame's Alliance for Catholic Education (ACE) program. ACE is a teaching fellowship where college graduates earn their Master of Education while teaching in Catholic schools. A 2025 Benedictine College graduate with degrees in Education and Theology and a minor in Mathematics, Audrey loves bringing her mathematical expertise and ACE's core pillars of teaching, community, and spirituality into her classroom each day. She is eager to build on a wonderful first year of helping students build confidence in math, where she celebrated the academic accomplishments of the seniors and the incredible growth of the freshwomen.

100TH ANNIVERSARY PLANNING

100 Years of Empowering Women

As Our Lady of Tepeyac High School looks ahead to our 100th Anniversary in 2027–2028, we know this milestone is an opportunity to honor our history, celebrate where we are today, and build a strong foundation for the next 100 years.

Tepeyac formed its 100th Anniversary Committee in September 2025, bringing together former President Joni Thompson, Board members, alumnae, longtime friends and supporters, Big Shoulders Fund friends, fellow Sharing Parish parishioners from Our Lady of Perpetual Help, and volunteers with expertise in strategy, fundraising, marketing, communications, and community engagement.

The committee meets every other week to plan this important milestone. Together, members have created a timeline, developed the anniversary vision and logo, and begun planning for fundraising, alumnae engagement, community involvement, and celebrations.

AT THE HEART OF THEIR WORK IS OUR VISION: HONOR OUR PAST. CELEBRATE OUR PRESENT. SECURE OUR FUTURE.

And we want our alumnae to be part of it! Help us plan reunions, reconnect classmates, share Tepeyac memories and history, and make our 100th Anniversary a celebration worthy of our incredible alumnae community. 100 Years of Empowering Women—and we're just getting started.

Join us in planning! Check out our website for important dates.

FAITH IN ACTION

Campus Ministry: Growing in Faith, Service, and Leadership

This year, Campus Ministry became one of the most visible and active student leadership groups at Tepeyac, under the guidance of Amate House Fellow and University of Notre Dame graduate Clare Cullinan. Her position was generously funded by the Sisters of the Blessed Virgin Mary, making it possible for Tepeyac to invest more deeply in the faith formation and leadership development of our young women.

What began several years ago as a small core group grew into a vibrant Campus Ministry Leadership Team under Clare's leadership. Students took ownership of their Catholic identity and became leaders throughout the school. They led reflections during Advisory and our annual Day of Giving, offered prayer at every Monday Morning Meeting (M3), and planned and led prayer services and retreats. They were not simply participating in Campus Ministry—they were leading it.

Their faith also moved beyond the walls of the school and into service. Campus Ministry organized a fall service experience with Urban Plunge and, during recent immigration enforcement activity in our community, students responded by packing food for Tepeyac families in need. Clare also helped lay the foundation for this summer's service trip with the Christian Appalachian Project before completing her year with Amate House.

Clare helped our young women discover that faith is not something we simply practice—it is something we live. Through prayer, service, and leadership, our students found new ways to care for one another and put their faith into action. We are deeply grateful to Clare Cullinan and the Sisters of the Blessed Virgin Mary for helping Tepeyac build a stronger culture of faith, service, and student leadership.

THE IMPACT OF AN ALL-GIRLS EDUCATION

Stronger Together for Girls Across Chicagoland

Girls deserve an education designed with them at the center. Leaders from eight Chicagoland all-girls high schools formed the Chicagoland Coalition of Girls Schools to strengthen the voice and visibility of girls' education across our region. While each school has its own history and mission, we share a commitment to helping young women become confident, compassionate, and courageous leaders.

THE GIRLS' SCHOOL ADVANTAGE

Research from the International Coalition of Girls' Schools (ICGS) shows:

93%

Of graduates report greater leadership opportunities than peers at coeducational schools.

80%

Have held leadership positions since graduation.

6X MORE

Girls' school graduates are 6x more likely to consider majoring in STEM.

80%+

Say their classes challenge them to reach their full academic potential.

2 IN 3

Expect to earn a graduate or professional degree.

AT TEPEYAC, WE SEE THE DIFFERENCE

Our Lady of Tepeyac High School is proud to be part of the Chicagoland Coalition of Girls Schools. Together, we are helping more families understand the impact of an all-girls education. At Tepeyac, our girls are seen, heard, valued, and loved. They have the space to speak up, take risks, lead, and discover their strengths. And because we are small, our girls do not get lost. We know their names, their stories, and their potential.

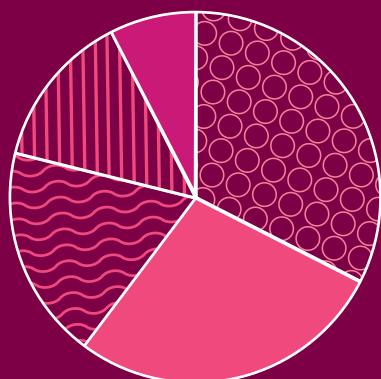

When girls have the space to lead, they rise.

Eight schools. One shared belief. A stronger future for girls across Chicagoland:

BECOME A FRIEND OF TEPEYAC

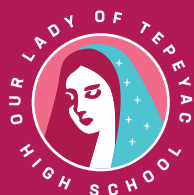

Change a life every month.

The most meaningful way to support Our Lady of Tepeyac High School is by becoming a Friend of Tepeyac—our community of monthly donors dedicated to opening doors for the next generation of young women.

Your monthly gift provides reliable support where it is needed most, helping to fund scholarships, strengthen academic programs, and ensure every student has the opportunity to learn, lead, and thrive in a Catholic, all-girls environment.

Whether you give \$10, \$25, \$50, or \$100 each month, **your generosity creates lasting opportunities** and transforms lives throughout the year.

To learn more about our Ways to Give, please visit: ourladyoftepeyac.org/giving

Join the Friends of Tepeyac today.

Together, we are building confident young women, strong leaders, and brighter futures.

“Our Lady of Tepeyac transformed my aspirations into achievements by fostering confidence, cultivating leadership, and opening doors to life-changing experiences and opportunities through its continued dedication to supporting students beyond graduation.”

Quethzali Sanches, Co-Valedictorian, Class of 2026

Gies School of Business, University of Illinois at Urbana Champaign

“Attending a local all-girls school empowered me to recognize the value of my background and lived experiences, reminding me that they are strengths rather than limitations. Through Tepeyac’s supportive community, I gained the confidence to embrace new opportunities, adapt to challenges, and advocate for myself.”

Rashel Sanchez, Co-Valedictorian, Class of 2026

Washington and Lee University
